SETUP AND BATTERY INSTALLATION

The Magical Sparkle Unicorn requires three (3) AAA batteries for operation. Batteries are included for immediate use.

Battery Installation Steps

1. Locate the battery compartment on the underside of the unicorn. It is typically secured with a hook-and-loop closure and a small screw.
2. Carefully open the hook-and-loop closure.
3. Using a small Phillips head screwdriver, unscrew the battery compartment cover.
4. Insert three (3) new AAA batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
5. Replace the battery compartment cover and secure it with the screw.
6. Close the hook-and-loop closure.

Always use new batteries of the same type. Do not mix old and new batteries or different types of batteries. Remove batteries if the toy will not be used for an extended period.

OPERATING INSTRUCTIONS

To activate the Magical Sparkle Unicorn's features, locate the activation point, typically on one of its hooves or body.

1. Press the designated activation point (e.g., a hoof) to initiate the magical music and light-up sequence.
2. The unicorn's eyes and body will illuminate with various colors, accompanied by enchanting sounds or music.
3. Press again to cycle through different light and sound patterns or to turn off the features.

MAINTENANCE AND CARE

To ensure the longevity of your Magical Sparkle Unicorn, follow these care guidelines:

- **Cleaning:** Surface wash only. Use a damp cloth with mild soap to gently clean soiled areas. Do not immerse the toy in water, as this can damage the electronic components.
- **Drying:** Allow the toy to air dry completely before storage or further use. Do not use a machine dryer.
- **Storage:** Store the unicorn in a clean, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** Remove batteries if the toy is not used for extended periods to prevent leakage.

TROUBLESHOOTING

If your Magical Sparkle Unicorn is not functioning as expected, please refer to the following common issues and solutions:

No Sound or Lights

- **Check Batteries:** Ensure batteries are correctly installed with the proper polarity. Replace with fresh AAA batteries if necessary.
- **Battery Compartment:** Verify that the battery compartment cover is securely closed.
- **Activation Point:** Confirm you are pressing the correct activation point firmly.

Lights or Sounds are Faint/Intermittent

- **Low Batteries:** This usually indicates low battery power. Replace all three AAA batteries.

Volume Too Loud or Soft

- The Magical Sparkle Unicorn does not feature adjustable volume control. The sound level is set at the factory.
