Relaxdays Small Standing Shelf Instruction Manual

Model: 10021929

INTRODUCTION

This manual provides instructions for the assembly, use, and maintenance of your Relaxdays Small Standing Shelf. This compact and versatile shelf is designed to serve as a bedside table, side table, or a decorative storage unit in various rooms, including children's rooms. Its modern design features a blue lacquered compartment and sturdy wooden legs.

SETUP INSTRUCTIONS

The Relaxdays Small Standing Shelf requires minimal assembly. Please follow these steps carefully to ensure proper setup.

Components:

- 1x Rectangular shelf unit (blue)
- 4x Wooden legs

Required Tools:

- Screwdriver (not included)

Assembly Steps:

1. Carefully unpack all components and verify that all parts are present.
2. Place the rectangular shelf unit upside down on a soft, clean surface to prevent scratches.
3. Align each wooden leg with the pre-drilled holes at the corners of the shelf unit.

- Using a screwdriver, securely screw each wooden leg into place. Ensure they are tightened firmly but do not overtighten to avoid damaging the wood.
- Once all legs are attached, carefully turn the shelf unit upright.
- Ensure the shelf is stable and level before placing any items on it.

USAGE

The Relaxdays Small Standing Shelf is designed for versatile use in various settings.

- **Bedside Table:** Place next to a bed or crib to hold lamps, books, or small personal items.
- **Side Table:** Position next to an armchair or sofa for convenient access to drinks, remote controls, or decorative items.
- **Storage Unit:** Utilize the open compartment for organizing books, toys, or other small belongings.
- **Decorative Display:** Showcase plants, photo frames, or other decorative accents on its surface.

The maximum recommended weight capacity for this shelf is 15 kg. Do not exceed this limit to ensure stability and prevent damage.

MAINTENANCE

Proper care will extend the life and appearance of your Relaxdays Small Standing Shelf.

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Dusting:** Regularly dust the shelf with a dry, soft cloth to prevent buildup.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage to the MDF and wooden components.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.

TROUBLESHOOTING

If you encounter any issues with your shelf, refer to the following common solutions:

- **Wobbling:** If the shelf wobbles, check that all leg screws are securely tightened. Ensure the shelf is placed on a flat, even surface.

- **Scratches:** Minor scratches on the lacquered surface may be touched up with a matching furniture repair pen. For deeper scratches, professional repair may be required.
- **Loose Parts:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary.
