Bruder 02502

Bruder Ram 2502 Power Wagon with Ducati Scrambler Desert Sled Instruction Manual

Model: 02502

Brand: Bruder

INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your Bruder Ram 2500 Power Wagon with Ducati Scrambler Desert Sled and driver figure. This highly detailed toy set offers realistic play experiences for enthusiasts of all ages.

SAFETY INFORMATION

Warning: Choking Hazard - Small Parts. Not suitable for children under 3 years.

- Recommended age: 4 - 15 years.
- Adult supervision is recommended during play.
- Keep small parts away from young children to prevent choking.

SETUP AND ASSEMBLY

Driver Figure Preparation

Place the helmet on the driver figure. Ensure the figure's hands are positioned to grip the motorcycle handlebars for realistic play.

Securing the Ducati Scrambler to the Ram Power Wagon

1. Lower the tailgate of the Ram 2500 Power Wagon.
2. Position the red transport brackets securely on the loading platform of the truck.
3. Carefully roll the Ducati Scrambler Desert Sled onto the loading platform, aligning its wheels with the transport brackets. Ensure the motorcycle is stable.

4. Secure the motorcycle firmly using the transport brackets to prevent movement during transport.

Image: A driver figure is shown securing the Ducati Scrambler motorcycle onto the Ram truck's loading platform using red transport brackets. The truck's tailgate is lowered.

OPERATING INSTRUCTIONS

Ram 2500 Power Wagon Features

Opening Doors: All four doors of the Ram truck can be opened to easily place and remove bworld figures.

Image: A driver figure stands next to the open front door of the red Ram truck, illustrating the accessibility of the interior.

Tailgate Functionality: The tailgate can be lowered to load and unload items, including the Ducati Scrambler. It can also be closed to secure cargo.

Suspension System: The truck features suspension on both axles, providing enhanced ride comfort and realistic off-road capability over various terrains.

Steering: The front axle can be steered using the included steering wheel extension. Insert the extension through the roof opening to control the truck's direction.

Image: A top-down view of the red Ram truck shows the steering wheel extension inserted through the open roof panel, allowing for external steering.

Ducati Scrambler Desert Sled Features

Steered Front Fork: The motorcycle features a steered front fork, allowing for realistic steering and maneuvering.

Spring-Loaded Swinging Fork: The rear swinging fork is spring-loaded, mimicking the suspension system of the real motorcycle for dynamic play.

Folding Side Stand: A functional folding side stand allows the motorcycle to stand upright independently when not in use.

or during display.

Image: A driver figure is seated on the Ducati Scrambler Desert Sled motorcycle, demonstrating its operational posture.

Video: This video demonstrates the features and playability of the Bruder Ram 2500 Power Wagon with Ducati Scrambler, including loading the motorcycle and the driver figure interacting with the vehicles.

MAINTENANCE

Cleaning: Clean the toy with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as these may damage the plastic or paint finish.

Storage: Store the toy in a dry place away from direct sunlight. Prolonged exposure to sunlight can cause colors to fade and materials to degrade.

TROUBLESHOOTING

Loose Parts: If any small parts become loose, reattach them carefully. Bruder toys are designed for durability, but rough play may cause temporary detachment of components.

Steering Difficulty: Ensure the steering wheel extension is correctly inserted through the roof opening and fully engaged with the steering mechanism. Check for any obstructions preventing smooth movement.

Motorcycle Not Securing: Verify that the transport brackets are properly positioned on the truck's loading platform and that the motorcycle wheels are correctly seated within them.

SPECIFICATIONS

Product Dimensions: 10.24 x 18.5 x 7.48 inches

Item Weight: 1.74 pounds

Item Model Number: 02502

Manufacturer Recommended Age: 4 - 15 years
