- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Storage:** During harsh weather conditions (e.g., heavy snow, extreme cold), consider covering the bench or storing it indoors to further protect its finish and structural integrity.

7. TROUBLESHOOTING

- **Bench feels wobbly:** Check all assembly bolts and ensure they are securely tightened. Ensure the bench is placed on a flat, even surface.
- **Minor rust spots appear:** Clean the area thoroughly, gently sand any rust, and apply a rust-inhibiting paint matching the bronze finish.
