1. Introduction

The SUPER CLEAN Upholstery and Carpet Deep Cleaner Concentrate is designed for reliable deep cleaning of various textile surfaces. This highly concentrated formula effectively removes dirt and unpleasant odors, revitalizing items such as sofas, armchairs, carpets, upholstery, seat covers, and car seats. The 500 ml bottle provides sufficient concentrate to clean an area of up to 100 m². This product is also suitable for use with wet cleaning machines.

2. Safety Information

Please read and understand all safety information before using this product. Keep this manual for future reference.

- Keep out of reach of children and pets.
- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water.
- Do not ingest. If swallowed, seek medical advice immediately and show this container or label.
- Use in a well-ventilated area.
- Always perform a patch test on an inconspicuous area of the material to be cleaned to check for colorfastness and material compatibility before full application.
- Wear protective gloves when handling the concentrate.

4. Setup

4.1 Dilution

The SUPER CLEAN concentrate is highly effective and must be diluted before use. Dilute the concentrate with water at a ratio of 1:10 (1 part concentrate to 10 parts water). For example, mix 50 ml of concentrate with 500 ml of water.

Effektiv mot fläckar

- ✓ Lämplig för alla färgbeständiga textilier
- ✓ Koncentrat – kan spädas upp till 1:10
- ✓ Tar bort smuts, vattenränder och lukt
- ✓ Rengör och impregnerar
- ✓ Även lämplig för våtrengöringsmaskiner

4.2 Surface Preparation

Before applying the cleaning solution, vacuum the surface thoroughly to remove loose dirt and debris. Always perform a patch test on an inconspicuous area to ensure colorfastness and material compatibility.

Video: Demonstrates the dilution process and how to load the cleaning solution into a wet cleaning machine for upholstery and carpet cleaning.

5. Operating Instructions

5.1 General Application Steps

1. **Dilute:** Mix the concentrate with water at a 1:10 ratio.
2. **Apply:** Apply the diluted solution evenly to the surface using a spray bottle, sponge, or wet cleaning machine.
3. **Massage:** Gently massage the solution into the fabric using a soft brush or sponge. Allow it to work for a few minutes (refer to patch test results for optimal time).
4. **Rinse:** Treat the area with clean water to rinse out the solution and loosened dirt.

5. **Extract:** Use a wet vacuum cleaner to thoroughly extract the water and dirt from the fabric. Ensure as much moisture as possible is removed to speed up drying.

5.2 Specific Applications

- **Upholstery (Sofas, Armchairs):** Follow the general steps. For delicate fabrics, use less solution and ensure thorough extraction to prevent over-wetting.
- **Carpets:** For larger areas, a wet cleaning machine is recommended for efficient application and extraction. For spot cleaning, use a sponge or brush.
- **Car Seats & Interior:** Apply the solution to car seats, floor mats, and other textile interior surfaces. Use a brush or sponge for agitation and a wet vacuum for extraction.

6. Maintenance

Store the SUPER CLEAN concentrate in its original container, tightly closed, in a cool, dry place away from direct sunlight and extreme temperatures. Ensure the cap is securely fastened after each use to prevent evaporation or contamination.

7. Troubleshooting

If you encounter issues while using the SUPER CLEAN Upholstery and Carpet Deep Cleaner Concentrate, refer to the table below for common problems and solutions.

Problem	Possible Cause	Solution
Stain not completely removed	Insufficient dwell time; incorrect dilution; old/stubborn stain.	Increase dwell time; ensure correct 1:10 dilution; repeat application; for very old stains, multiple treatments may be necessary.

Problem	Possible Cause	Solution
Product residue after drying	Incomplete rinsing or extraction.	Rinse the area more thoroughly with clean water; ensure maximum water extraction with a wet vacuum.
Fading or discoloration of fabric	Not suitable for material; patch test not performed or ignored.	Always perform a patch test on an inconspicuous area before full application. Discontinue use if discoloration occurs.

8. Specifications

Feature	Detail
Brand	SUPER CLEAN
Model Number	Ptsc500
ASIN	B078Y8FR52
Item Form	Liquid
Scent	Fresh
Specific Uses	Carpet, Upholstery, Car Seats, Sofa, Armchair
Material Feature	Biodegradable
Item Volume	500 Milliliter
Surface Recommendation	Leather, Fabric (Note: Always patch test on leather)
Material Type Free	Bleach-free
Special Feature	Concentrated
Item Weight	550 Grams
Product Dimensions	7 x 5 x 17 cm
Manufacturer	Innochem Produktions- und Vertriebs GmbH
Country of Origin	Germany
