SETUP

Unpacking

Carefully remove the Lemon Shark Miniature from its packaging. Ensure all packaging materials are discarded responsibly.

Placement

This miniature is designed for display or imaginative play. Place it on a stable, flat surface away from direct sunlight or extreme temperatures to preserve its quality and color integrity.

OPERATING INSTRUCTIONS

Intended Use

The Safari Ltd. Lemon Shark Miniature is intended for educational play and collection. It encourages exploration of nature, marine biology, and imaginative scenarios.

Interaction

Children can use the miniature for role-playing, learning about marine life, or as part of a larger collection. Adult supervision is recommended for younger children to ensure safe play.

CARE AND MAINTENANCE

Cleaning

To clean the miniature, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these may damage the hand-painted finish or material.

Storage

Store the miniature in a clean, dry place when not in use. Protect it from dust, direct impacts, and extreme temperatures to prevent damage and preserve its appearance.

TROUBLESHOOTING

Common Concerns

As a durable plastic figurine, the Lemon Shark Miniature requires minimal troubleshooting. However, if you observe any issues, consider the following:

- **Fading Color:** Prolonged exposure to direct sunlight or strong artificial light can cause colors to fade over time. Store the miniature away from windows or bright light sources.
- **Minor Scratches or Abrasions:** Small scratches or abrasions may occur with rough handling or contact with abrasive surfaces. These are typically cosmetic and do not affect the structural integrity of the figure.
- **Deformation:** Exposure to extreme heat can cause plastic to deform. Keep the miniature away from heat sources like radiators, direct sun in a car, or hot water.
