Paladone PP4017NN

Paladone Super Mario Bros Mushroom Light with Sound (Model PP4017NN) Instruction Manual

Brand: Paladone | Model: PP4017NN

1. INTRODUCTION

Thank you for purchasing the Paladone Super Mario Bros Mushroom Light with Sound. This officially licensed Nintendo product is designed to provide ambient lighting and play the iconic 'Level-Up' sound from the Super Mario franchise. This manual will guide you through the setup, operation, and care of your new mushroom light.

2. SAFETY INFORMATION

- This product is intended for indoor use only.
- Keep away from water and moisture.
- Do not attempt to disassemble or modify the product.
- Ensure batteries are inserted correctly according to polarity markings.
- Remove batteries if the product is not used for an extended period.
- Dispose of used batteries responsibly.
- Not suitable for children under 6 years due to small parts.

3. PACKAGE CONTENTS

The package contains the following items:

- 1 x Paladone Super Mario Bros Mushroom Light
- Instruction Leaflet

Note: 2 x AAA batteries are required and are not included in the package.

4. SETUP

4.1 Battery Installation

1. Locate the battery compartment on the underside of the mushroom light.
2. Using a small screwdriver (not included), carefully open the battery compartment cover.
3. Insert 2 x AAA batteries, ensuring the correct polarity (+/-) as indicated inside the compartment.

4. Replace the battery compartment cover and secure it with the screw.

4.2 Placement

Place the mushroom light on a flat, stable surface in your desired indoor location, such as a desk, shelf, or bedside table.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off and Sound Effect

To activate the light and sound effect, gently press down on the top of the mushroom. The light will illuminate with a soft red glow, and the official 'Level-Up' sound from the Super Mario game will play. Press down again to turn the light and sound off.

PUSH DOWN TO POWER ON

6. MAINTENANCE

To maintain your mushroom light in optimal condition:

- Wipe the surface with a soft, dry cloth.
- Do not use abrasive cleaners or solvents.

- Keep the product free from dust and debris.

7. TROUBLESHOOTING

Problem	Solution
Light does not turn on or sound does not play.	Ensure batteries are correctly installed with proper polarity. Replace old batteries with new 2 x AAA batteries. Press firmly on the top of the mushroom.
Sound is distorted or too quiet.	Replace batteries with new ones. Ensure the speaker area on the bottom is not obstructed.

8. SPECIFICATIONS

Feature	Detail
