5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your PHI VILLA bar stools.

- **Cleaning Frame:** Wipe clean with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners that could damage the finish.

For deeper cleaning, the cushion covers are typically removable and washable (check individual cushion labels for specific washing instructions). Allow cushions to air dry completely before reattaching.
- **Rust Prevention:** The cast aluminum frame is rust-resistant. However, regularly inspect for any signs of wear or damage to the protective coating. Touch up any chips or scratches to prevent potential corrosion.
- **Seasonal Storage:** During periods of harsh weather or non-use, it is recommended to store the stools indoors or cover them with protective outdoor furniture covers to prolong their lifespan.
