Bonnlo B0796R8888

Bonnlo Zero Gravity Chair Set of 2 Instruction Manual

Model: B0796R8888

Brand: Bonnlo

1. Safety Information

Please read and understand all safety information before using your Bonnlo Zero Gravity Chair.

- Always ensure the chair is placed on a stable, level surface before use.
- To recline, gently lean back while seated. Once at the desired angle, engage the locking device located under the armrests.
- Before standing up from the chair, ensure the locking device is disengaged and the chair is in an upright position.
- **Maximum Weight Recommendation:** 350 pounds (158 kg). Do not exceed this weight limit to prevent injury or damage to the chair.
- Keep hands and fingers clear of moving parts during adjustment to avoid pinching.
- Do not allow children to play on or around the chair unsupervised.

2. Product Features

The Bonnlo Zero Gravity Chair is designed for comfort and durability, featuring:

- **Large Durable Accessory Tray:** Equipped with a plastic accessory tray for drinks, magazines, phones, tablets, or other small items.
- **Simple and Solid Construction:** Upgraded tube thickness (6/7 inch) for stability. Features a durable and thickened iron pipe frame.
- **Upgraded Textilene Fabric:** 550g Textilene fabric, thickened and durable. This all-weather material reduces heat transfer and offers UV-resistance with over 80% sun protection for long-lasting use.
- **Removable/Adjustable Headrest:** For personalized comfort.
- **Upgraded Lock System:** Easily recline from upright to the zero gravity position and lock it securely.

Image 2.2: The durable resin drink holder tray with mobile device slots and the lockable recline knob for securing your preferred position.

3. Setup (Assembly Instructions)

The Bonnlo Zero Gravity Chair requires no assembly. It arrives pre-assembled and ready for immediate use.

- Simply unfold the chair to its open position.
- Attach the accessory tray by sliding it onto the armrest until it clicks into place.
- Adjust the headrest to your preferred height by sliding it along the back of the chair.

Image 3.1: The chair's dimensions and easy folding feature for convenient storage and transport.

4. Operating Instructions

4.1 Reclining and Locking the Chair

1. Sit comfortably in the chair.
2. Gently push back with your body weight to recline to your desired angle. The chair is designed to smoothly transition to a zero gravity position.
3. Once you find a comfortable reclining position, locate the locking knobs under each armrest.
4. Turn both locking knobs to secure the chair in that position. Ensure they are tightened sufficiently to prevent unwanted movement.

4.2 Returning to Upright Position

1. Loosen both locking knobs under the armrests.
2. Gently lean forward, allowing the chair to return to its upright position.
3. Ensure the chair is fully upright and stable before attempting to exit.

4.3 Adjusting the Headrest

- The headrest is designed to slide up and down the back of the chair.
- Adjust it to provide optimal neck and head support for your comfort.

5. Maintenance

To ensure the longevity and optimal performance of your Bonnlo Zero Gravity Chair, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean with a damp cloth. For stubborn stains on the Textilene fabric, use a mild soap solution and rinse thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, especially during harsh weather conditions (e.g., heavy rain, snow, extreme heat), it is recommended to fold the chairs and store them indoors or under a protective cover.
- **Inspection:** Periodically check all bolts, screws, and bungee cords to ensure they are secure and in good condition. Tighten any loose fasteners and replace worn bungee cords if necessary.
- **Accessory Tray:** The accessory tray is removable for cleaning or when folding the chair for storage.

Image 5.1: The chair folds compactly for easy storage, protecting it from elements when not in use.

6. Troubleshooting

This section addresses common issues you might encounter with your Zero Gravity Chair.

- **Chair does not recline smoothly:** Check if the locking knobs are fully disengaged. Ensure there are no obstructions in the reclining mechanism. Lubricate pivot points with a silicone-based spray if necessary.
- **Chair does not stay in reclined position:** Ensure the locking knobs are fully tightened after reaching your desired position. If the knobs are tightened but the chair still slips, inspect the locking mechanism for wear or damage.
- **Fabric appears loose or stretched:** Over time, the bungee cords may lose some elasticity. Inspect the bungee cords for wear and replace them if they appear stretched or damaged.
- **Accessory tray does not attach securely:** Ensure the tray is correctly aligned with the attachment points on the armrest and pushed firmly until it clicks into place. Check for any debris or damage to the attachment points.

7. Specifications

Feature	Detail
Brand	Bonnlo
Model	B0796R8888
Color	Grey
Material	Metal frame, Textilene fabric, Foam fill (headrest)
Product Dimensions (Open)	71"D x 26"W x 37.5"H
