Nike Air Huarache Run Ultra SE Running Shoe User Manual

Model: 875841-601 | Brand: Nike

PRODUCT OVERVIEW

The Nike Air Huarache Run Ultra SE is a men's running shoe designed for comfort and performance. It features a lightweight construction with a synthetic and leather fabric blend, offering both durability and breathability. The shoe incorporates Nike's Air technology for cushioning and a secure lace-up closure system.

- **Authentic:** This product is guaranteed to be an authentic Nike item.

Side profile of the Nike Air Huarache Run Ultra SE, highlighting the distinctive Huarache cage design and sole structure.

Rear view of the Nike Air Huarache Run Ultra SE, showing the prominent Nike branding on the heel strap and the 'AIR' logo on the sole.

Bottom view of the Nike Air Huarache Run Ultra SE sole, displaying the traction pattern and integrated Nike Air branding.

Opposite side profile of the Nike Air Huarache Run Ultra SE, providing another perspective of its design and construction.

SETUP AND INITIAL USE

Unpacking

Upon receiving your Nike Air Huarache Run Ultra SE shoes, carefully remove them from their packaging. Inspect the shoes for any visible defects or damage that may have occurred during shipping.

Wearing the Shoes

The Huarache design features a snug, sock-like fit. To put on the shoes, gently pull the heel tab and tongue to open the collar, then slide your foot in. Ensure your heel is seated comfortably at the back of the shoe.

Lacing Instructions

The shoes come pre-laced. Adjust the laces to achieve a secure yet comfortable fit. Avoid overtightening, which can restrict blood flow and cause discomfort. Ensure the laces are evenly tensioned across the top of your foot.

OPERATING INSTRUCTIONS

Intended Use

These shoes are designed primarily for running and athletic activities, but are also suitable for casual wear. Their lightweight construction and cushioning provide support for various movements.

Fit and Comfort

The Nike Air Huarache Run Ultra SE is known for its adaptive fit. Wear appropriate athletic socks to enhance comfort and prevent chafing. If the fit feels too tight or too loose, re-adjust the lacing. Allow for a break-in period if the shoes feel stiff initially.

MAINTENANCE

Cleaning

To maintain the appearance and longevity of your shoes, follow these cleaning guidelines:

- **Synthetic and Leather Surfaces:** Wipe down with a soft, damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Mesh Areas:** Use a soft brush (like an old toothbrush) with mild soap and water to gently scrub mesh areas.
- **Soles:** Clean dirt and debris from the outsoles using a brush and water.
- **Drying:** Air dry shoes at room temperature. Do not use direct heat sources like radiators or tumble dryers, as this can damage materials.
- **Do Not Machine Wash:** Machine washing can damage the shoe's structure and materials.

Storage

Store your shoes in a cool, dry place away from direct sunlight. If storing for extended periods, consider using shoe trees to help maintain their shape.

TROUBLESHOOTING

Common Issues

- **Discomfort/Rubbing:** Ensure you are wearing appropriate socks. Re-adjust lacing to alleviate pressure points. If discomfort persists, verify you have the correct shoe size.
- **Odor:** Allow shoes to air out after each use. Consider using shoe deodorizers or baking soda to absorb moisture and odors.
- **Excessive Wear:** Ensure the shoes are used for their intended purpose. Regular cleaning and proper storage can extend their lifespan.

General Advice

If you encounter issues not covered in this manual, or if problems persist, please refer to the manufacturer's official support channels.

SPECIFICATIONS

Feature	Detail
Model Number	875841-601
Product Dimensions	12 x 9 x 5 inches
