Arcchio 9968004

Arcchio LED Dimmable Floor Lamp (Model 9968004) User Manual

Comprehensive instructions for setup, operation, and maintenance.

Introduction

Thank you for choosing the Arcchio LED Dimmable Floor Lamp, Model 9968004. This modern and functional lamp is designed to provide optimal lighting for your workspace, offering both direct and indirect illumination with continuous dimming capabilities. Please read this manual carefully before assembly and operation to ensure safe and efficient use of your product.

Important Safety Instructions

- Always disconnect the power supply before cleaning or performing any maintenance.
- Do not operate the lamp with a damaged cord or plug. If damaged, contact qualified service personnel.
- This lamp is designed for indoor use only. Do not expose to water or high humidity.
- Ensure the lamp is placed on a stable, level surface to prevent tipping.
- Do not attempt to modify or repair the lamp yourself. Refer all servicing to qualified personnel.
- Keep packaging materials out of reach of children to prevent choking hazards.

Package Contents

Please check that all components are present and undamaged. If any parts are missing or damaged, contact customer support.

- LED Floor Lamp Head with integrated LED modules
- Main Lamp Pole with dimmer knob
- U-shaped Base
- Power Cable with plug
- Assembly Hardware (screws, wrench if needed)

- User Manual (this document)

Setup and Assembly

Follow these steps to assemble your Arcchio LED Dimmable Floor Lamp:

1. **Unpack Components:** Carefully remove all parts from the packaging and place them on a clean, flat surface.
2. **Attach the Base:** Connect the U-shaped base to the bottom of the main lamp pole. Secure it using the provided screws and tools. Ensure the base is firmly attached for stability.
3. **Attach the Lamp Head:** Connect the LED lamp head to the top of the main lamp pole. Align the connectors and secure with any provided fasteners.
4. **Position the Lamp:** Place the assembled lamp in your desired location. The U-shaped base is designed to slide under desks or furniture for space-saving placement.
5. **Connect to Power:** Insert the power cable plug into a standard electrical outlet.

Operating Instructions

The Arcchio LED Dimmable Floor Lamp is designed for simple operation.

- **Power On/Off:** Once plugged in, the lamp can be turned on or off using the rotary dimmer knob located on the main lamp pole. A quick press typically toggles power.
- **Dimming Function:** To adjust the brightness, rotate the dimmer knob. Turning it clockwise will increase the light intensity, and counter-clockwise will decrease it. The lamp offers continuous dimming for precise control over your lighting environment.
- **Light Distribution:** This lamp provides both direct light (40% for work surfaces) and indirect light (60% for room illumination) simultaneously. The integrated LEDs emit a universal white light at 4000K, optimized for concentration and reduced eye strain.

Maintenance and Care

Proper care will ensure the longevity and optimal performance of your lamp.

- **Cleaning:** Disconnect the lamp from power before cleaning. Use a soft, dry cloth to wipe the lamp's surfaces. Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish or electrical components.
- **LED Modules:** The integrated LED modules are designed for long-term use and are not user-replaceable. Do not attempt to open the lamp head.
- **Cable Care:** Regularly inspect the power cable for any signs of damage. If the cable is damaged, discontinue use and contact customer support.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Lamp does not turn on.	Not plugged in. Power outlet not working. Dimmer knob is off.	Ensure the power cable is securely plugged into an active outlet. Test the outlet with another device. Press the dimmer knob to turn the lamp on.
Light flickers or is unstable.	Loose connection. Power fluctuations.	Check all connections. Try plugging into a different outlet. If the problem persists, contact customer support.
Dimming function not working.	Dimmer knob malfunction.	Ensure the knob is rotating freely. If unresponsive, contact customer support.

Technical Specifications

Feature	Specification
Brand	Arcchio
Model Number	9968004
Product Dimensions (L x W x H)	61 x 28 x 196 cm
Item Weight	11.8 kg
Color	White
Material	Metal (Aluminum)
Style	Modern
Voltage	230 Volts
Bulb Type	Integrated LED (1x 36W + 1x 24W)
Total Power	60 W
Luminous Flux	6000 lm
Color Temperature	4000 K (Universal White)
Special Features	Dimmable
IP Rating	IP20
Energy Efficiency Rating	E (New EU Label)
