# Lindby Ragna LED Floor Lamp User Manual

Model: Ragna (4251096519648)

## INTRODUCTION

---

Thank you for choosing the Lindby Ragna LED Floor Lamp. This manual provides essential information for the safe and efficient use of your new lamp. Please read these instructions carefully before assembly and operation, and retain them for future reference.

## IMPORTANT SAFETY INSTRUCTIONS

---

To reduce the risk of fire, electric shock, or injury, please observe the following:

- Ensure the power supply voltage matches the lamp's requirements before connecting.
- Do not operate the lamp with a damaged cord or plug.
- Avoid placing the lamp in unstable locations where it could tip over.
- Do not expose the lamp to water or excessive moisture. This product has an IP20 rating, meaning it is protected against solid objects larger than 12.5mm but has no protection against water.
- Do not attempt to modify or repair the lamp yourself. Contact qualified service personnel for repairs.
- Keep packaging materials out of reach of children to prevent suffocation hazards.
- The LED light source is integrated and not user-replaceable.

## PACKAGE CONTENTS

---

Verify that all components are present and undamaged upon opening the package. If any parts are missing or damaged, contact your retailer.

- Floor Lamp Base and Pole Assembly
- Glass Uplighter Shade
- Integrated LED Light Source
- Power Adapter with Cord
- Instruction Manual (this document)

## SETUP AND ASSEMBLY

---

Follow these steps to assemble your Lindby Ragna LED Floor Lamp:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Assemble the Pole:** The lamp pole may come in sections. Gently screw the pole sections together clockwise until secure. Ensure the power cord runs freely through the pole.
3. **Attach to Base:** Securely attach the assembled pole to the heavy base by screwing it clockwise. Ensure it is stable and upright.
4. **Install the Shade:** Carefully place the glass uplighter shade onto the top of the lamp pole. Ensure it sits correctly and is stable.
5. **Connect Power Adapter:** Insert the small connector from the lamp's cord into the power adapter. Then, plug the power adapter into a standard wall outlet.

Figure 3: The power adapter correctly connected to the lamp's base for power supply.

## OPERATING INSTRUCTIONS

---

The Lindby Ragna LED Floor Lamp is designed for simple operation.

- **Power On/Off:** Locate the rotary dimmer switch on the lamp pole. Turn the switch clockwise to turn the lamp on.
- **Dimming Function:** Continue turning the rotary switch clockwise to increase the light intensity. Turn it counter-clockwise to decrease the light intensity and eventually turn the lamp off.

Figure 4: Detail of the integrated rotary dimmer switch, used for controlling the lamp's power and brightness.

Figure 5: The Lindby Ragna LED Floor Lamp providing ambient uplighting in a room.

## MAINTENANCE AND CARE

---

Regular cleaning will help maintain the appearance and functionality of your lamp.

- **Cleaning:** Disconnect the lamp from the power outlet before cleaning. Use a soft, dry cloth to wipe the metal surfaces. For the glass shade, a slightly damp cloth can be used, followed by a dry cloth to prevent water spots.
- **Do Not Use:** Avoid abrasive cleaners, solvents, or polishing agents, as these can damage the finish.
- **LED Light Source:** The LED light source is integrated and designed for long-term use. It does not require replacement.

## TROUBLESHOOTING

---

If you encounter issues with your lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power to the outlet. Power adapter not properly connected. Dimmer switch is off.	Check if the wall outlet is functional by plugging in another device. Ensure the power adapter is securely plugged into both the lamp and the wall outlet. Turn the dimmer switch clockwise to increase brightness.
Light flickers or is unstable.	Loose connection. Incompatible dimmer (if external).	Check all connections, including the power adapter. Ensure you are using the integrated dimmer. Do not connect to an external dimmer unless specified.
Lamp is unstable.	Pole sections not fully tightened. Pole not securely attached to the base.	Tighten all pole sections. Ensure the pole is firmly screwed into the base.

If the problem persists after attempting these solutions, please contact customer support.

## TECHNICAL SPECIFICATIONS

Brand:	Lindby
Model Name:	Ragna
Manufacturer Reference:	4251096519648
ASIN:	B0799H1LLC
Light Source Type:	Integrated LED
Wattage:	30 Watts
Material (Shade):	Glass
Material (Frame):	Aluminum
Color:	White (shade), Aluminum (frame)
Style:	Modern
Power Source:	Corded Electric
IP Rating:	IP20
Weight:	24.14 Pounds (approx. 10.95 kg)
Special Features:	Energy-Efficient, Dimmable (integrated)
