

Morvat MOR-MGO-1-A

Morvat Golf Storage Bag Organizer Instruction Manual

Model: MOR-MGO-1-A | Brand: Morvat

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Morvat Golf Storage Bag Organizer. Designed for durability and efficient storage, this organizer helps keep your golf equipment tidy and accessible in your home, garage, basement, or shed.

SAFETY INFORMATION

- Ensure all parts are securely fastened before loading the organizer.
- Do not overload shelves or bag compartments beyond their intended capacity.
- Place the organizer on a stable, level surface to prevent tipping. Use the adjustable feet to ensure stability on uneven ground.
- Keep small parts away from children during assembly.
- Avoid climbing on or hanging from the organizer.

PARTS LIST

Before beginning assembly, verify that all components are present and undamaged. Refer to the included detailed step-by-step instruction manual for a complete visual parts list.

Component	Quantity
Main Frame Components	(Various)
Accessory Shelves	5
Adjustable Feet	(Included)
Assembly Hardware (Screws, Nuts, etc.)	(Included)

SETUP AND ASSEMBLY

The Morvat Golf Storage Bag Organizer is designed for easy assembly with predrilled holes and clear instructions. It is recommended to assemble the unit on a flat, clear surface.

Step-by-Step Assembly

1. Unpack all components and lay them out to identify each part.
2. Follow the detailed step-by-step instruction manual provided with the product. The manual includes clear pictures to guide you through each stage of assembly.
3. Utilize the predrilled holes for quick and accurate alignment of components.
4. Securely fasten all screws and connections. It is advisable not to fully tighten all screws until the entire frame is assembled to allow for minor adjustments.
5. Once the frame is complete, attach the adjustable feet to the base.
6. Insert the five accessory shelves into their designated slots.

OPERATING INSTRUCTIONS

The Morvat Golf Storage Bag Organizer is designed for convenient storage of your golf equipment.

- **Golf Bag Storage:** The organizer features dedicated compartments for two golf bags, providing secure upright storage.
- **Accessory Storage:** Utilize the five accessory shelves to store golf balls, shoes, gloves, towels, and other golfing essentials. The wire shelves allow for air circulation, which is beneficial for storing shoes.
- **Adjustable Stability:** If placing the organizer on an uneven surface, adjust the individual feet at the base until the unit is level and stable.

MAINTENANCE

To ensure the longevity and appearance of your Morvat Golf Storage Bag Organizer, follow these simple maintenance guidelines:

- **Cleaning:** The powder-coated iron metal surface can be easily wiped clean with a damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Rust Prevention:** The organizer is made with an anti-rusting coating. For prolonged outdoor use or in high-humidity environments, consider additional protective measures.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Organizer is wobbly or unstable.	Uneven surface; loose connections.	Adjust the individual feet at the base until the unit is level. Ensure all assembly screws are tightened.
Golf bags do not fit or are unstable.	Bag size exceeds compartment dimensions; improper placement.	Verify your golf bag dimensions against the product specifications (12.5" compartment width). Ensure bags are placed centrally within their compartments.

Problem	Possible Cause	Solution
Shelves are not holding items securely.	Overloaded shelf; items too small for wire mesh.	Reduce weight on the shelf. For very small items, consider using a container or tray on the shelf.
