Seatcraft Equinox Single Recliner (Model 88-2212-7116-3E)

Seatcraft Equinox Single Recliner Instruction Manual

Model: 88-2212-7116-3E
Brand: Seatcraft

1. Introduction

This manual provides essential information for the safe and efficient use of your Seatcraft Equinox Single Recliner. This home theater seating unit features Italian leather, a wall-hugger design, zero gravity recline, powered headrest and lumbar support, power recline, and zero-gap reclining. It is designed for optimal comfort and functionality in your living space.

2. Safety Information

- Ensure all power cords are properly connected and routed to prevent tripping hazards.
- Keep hands and feet clear of moving parts during recline operation.
- Do not allow children or pets to play on or around the recliner while it is in operation.
- Do not stand on the footrest or armrests.
- Maximum weight capacity is 350 lbs per seat. Do not exceed this limit.
- Unplug the recliner from the power outlet before cleaning or performing any maintenance.

3. Package Contents

Verify that all components are present before beginning assembly:

- Seat Back
- Seat Base
- Power Adapter
- Swivel Tray Table
- User Manual (this document)

4. Assembly Instructions

Assembly of the Seatcraft Equinox Single Recliner is designed to be a DIY process. Follow these general steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent damage.
2. **Attach Seat Back:** Align the metal brackets on the seat back with the corresponding receivers on the seat base. Slide the seat back down firmly until it locks into place. You should hear a click.
3. **Connect Power:** Locate the power cables extending from the seat back and seat base. Connect them securely. Then, connect the power adapter to the recliner and plug it into a wall outlet.
4. **Install Tray Table:** Insert the swivel tray table post into the designated port on the armrest.

For visual guidance on assembly, please refer to the setup video below. While the video may show a row of seats, the general assembly principles for individual components apply.

5. Operating Instructions

Your Seatcraft Equinox recliner is equipped with an intuitive in-arm control panel for various adjustments and features.

Image: In-arm control panel for custom comfort adjustments.

5.1 Power Recline and Adjustments

- **Power Recline:** Use the recline switch on the control panel to smoothly adjust the backrest and footrest to your desired position.
- **Powered Headrest:** Adjust the headrest angle independently using the dedicated button for optimal neck and head support.
- **Powered Lumbar:** Tailor the lumbar support to the natural curvature of your spine using the lumbar adjustment button, reducing back strain.
- **Zero Gravity Recline:** The recliner can transition into a zero gravity position, distributing body pressure evenly for enhanced comfort.

5.2 Memory Function

The memory button on the control panel allows you to save your preferred reclining position. Press and hold the memory button until you hear a beep to save the current position. To recall the saved position, simply press the memory button once.

5.3 Smart Console Features

Image: Smart console features including tray table, storage, USB charging, and LED cup holders.

- **USB-A and USB-C Charging Ports:** Conveniently located on the control panel, these ports allow you to charge your devices while relaxing.
- **Illuminated Cup Holders:** Each armrest features a cup holder that illuminates with a soft LED light, making it easy to locate your drink in a darkened room.
- **Ambient LED Lighting:** The recliner features ambient LED lighting at the base, enhancing the cinema room atmosphere.
- **Removable Swivel Tray Table:** A 360-degree swivel tray table can be inserted into the armrest for holding snacks, drinks, or devices.
- **Hidden Storage Compartment:** Lift the armrest to reveal a hidden storage compartment, ideal for remotes and other small items.

5.4 SoundShaker (Optional)

Your Seatcraft Equinox recliner is equipped with a built-in SoundShaker transducer. To enable a truly immersive movie experience with tactile feedback, an optional SoundShaker amplifier is required (sold separately).

6. Product Features

6.1 Italian Leather and CoolGel Comfort

The recliner is upholstered in genuine Italian leather, offering a soft, smooth, and easy-to-clean surface. The seating system features individually pocketed coils, sinuous springs, and a 2.2 high-density, high-resilience foam topper infused with Cool Gel technology. This design reduces heat buildup, minimizes cushion sagging, and provides adaptive contouring for balanced support.

6.2 Space-Saving Design

The wall-hugger mechanism requires only 6 inches of wall clearance for full reclining extension, making it suitable for various room layouts without overcrowding walkways.

7. Care and Maintenance

- **Cleaning:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the leather.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub.
- **Dusting:** Regularly dust the recliner with a soft cloth to prevent dust buildup.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading and drying of the leather.

8. Troubleshooting

- **Recliner Not Responding:** Ensure the power adapter is securely plugged into both the recliner and a working wall outlet.

Check for any kinks or damage to the power cord.

- **Unusual Noises:** If you hear unusual noises during operation, discontinue use and contact customer support.
- **Inconsistent Recline:** Verify that no obstructions are preventing the recliner mechanism from moving freely.

If you encounter issues not listed here or require further assistance, please contact Seatcraft customer support.

9. Specifications

Image: Dimensions of the Seatcraft Equinox Single Recliner.
