Disney D149182D

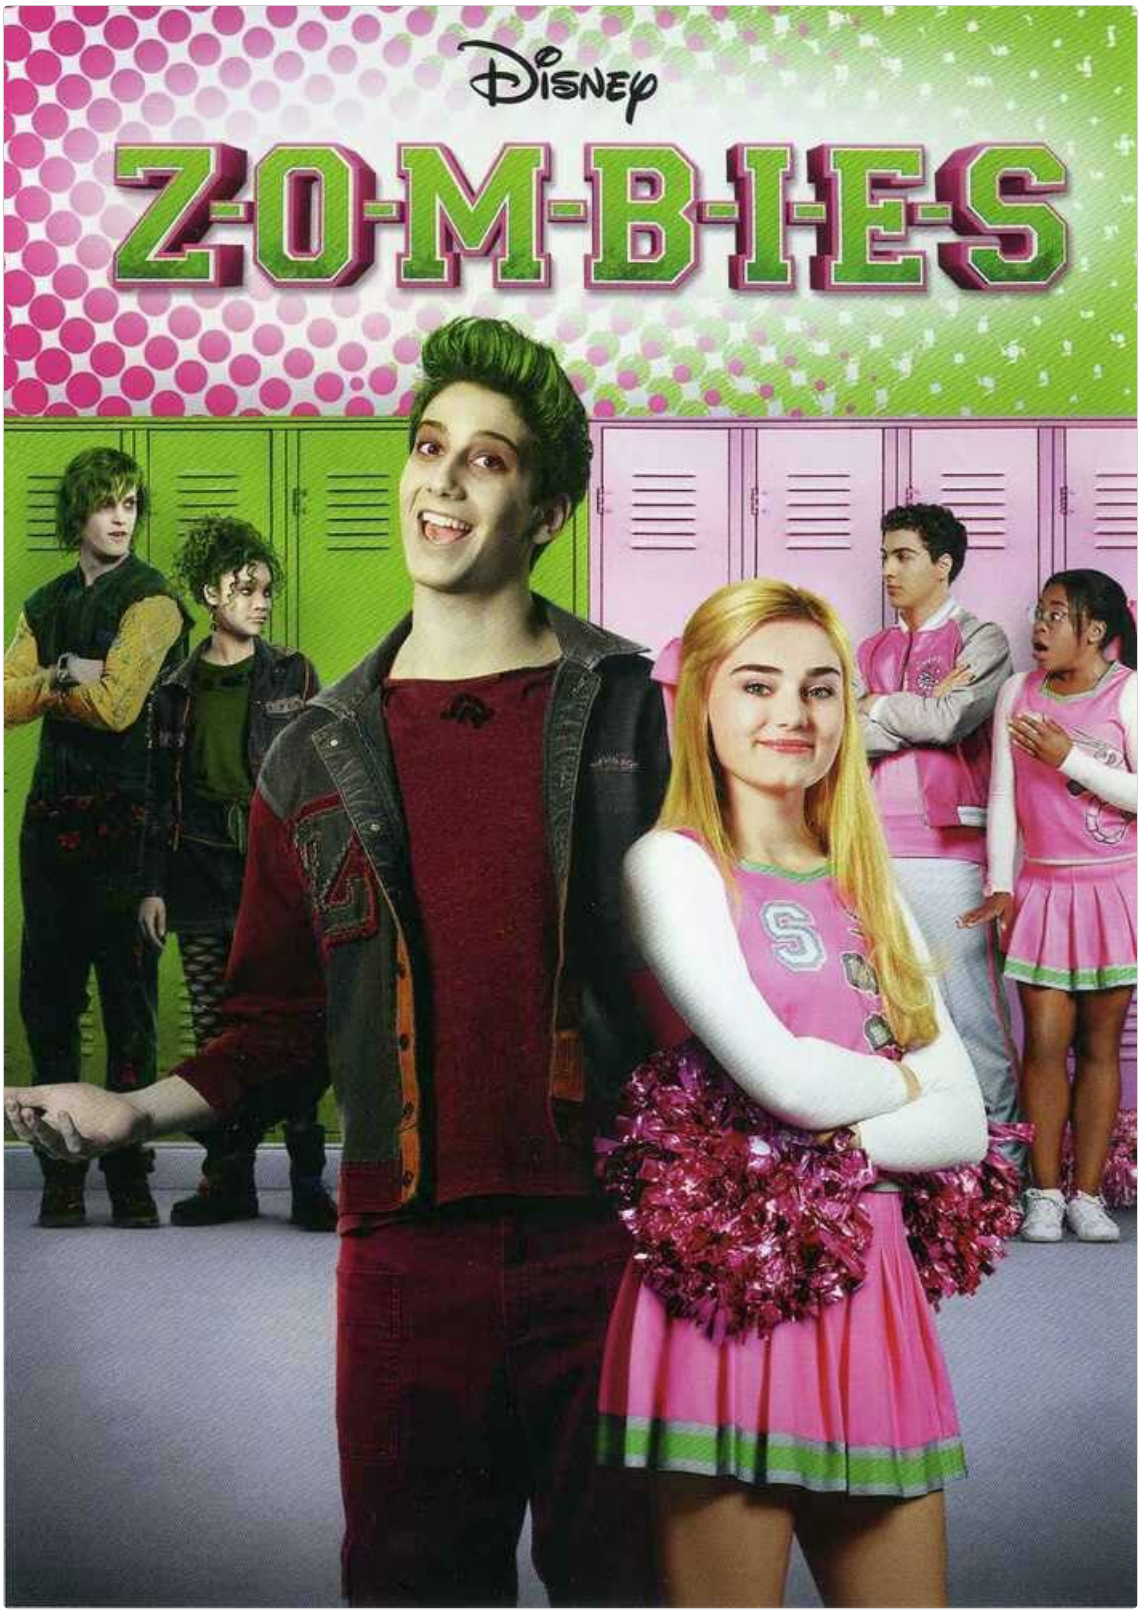

Disney Zombies DVD Instruction Manual

Model: D149182D

Introduction

This manual provides essential instructions for the Disney Zombies DVD, Model D149182D. It covers setup, operation, maintenance, and troubleshooting to ensure an optimal viewing experience.

The Disney Channel original movie, *Zombies*, tells the story of Zed (Milo Manheim), an undead teen, and Addison (Meg Donnelly), an aspiring cheerleader. Fifty years after a zombie apocalypse, the now harmless zombie community of Zombietown is integrated with the suburban Seabrook High School. Their unlikely friendship challenges societal norms and promotes understanding, all set to a backdrop of energetic song and dance numbers. The film also features Emilia McCarthy, Kylee Russell, and Trevor Tordjman.

The DVD cover displays the main characters, Zed (a zombie with green hair) and Addison (a cheerleader in pink), standing in a high school hallway with lockers. Other zombie and human characters are visible in the background.

Setup

1. **Unpack the DVD:** Carefully remove the Disney Zombies DVD from its packaging. Inspect the disc for any visible damage or scratches.
2. **Prepare Your DVD Player:** Ensure your DVD player is connected to your television or display device according to its manufacturer's instructions. Power on both the DVD player and the display.
3. **Insert the DVD:** Open the disc tray of your DVD player. Hold the DVD by its edges to avoid touching the

playback surface. Place the disc gently into the tray with the label side facing up. Close the disc tray.

4. **Select Input:** On your television, select the correct input source (e.g., HDMI 1, AV) that corresponds to your DVD player's connection.

Operating Instructions

Once the DVD is inserted and the player is powered on, the movie should begin playing automatically or display a main menu.

- **Main Menu Navigation:** Use the arrow keys on your DVD player remote control to navigate through menu options. Press the 'Enter' or 'OK' button to make a selection.
- **Playback Controls:**
  - **Play (▶):** Starts or resumes playback.
  - **Pause ( ):** Temporarily stops playback. Press Play to resume.
  - **Stop (■):** Stops playback and returns to the beginning of the disc or main menu.
  - **Fast Forward (►►):** Skips forward through the movie.
  - **Rewind (◄◄):** Skips backward through the movie.
  - **Skip (►| or |◄):** Jumps to the next or previous chapter/scene.
- **Language and Subtitle Selection:** From the main menu or during playback (using the 'Audio' or 'Subtitle' button on your remote), you can select audio languages and subtitle options. This DVD supports:
  - **Audio Languages:** English (Dolby Digital 5.1), French (Dolby Digital 2.0), Spanish (Dolby Digital 2.0)
  - **Dubbed Languages:** French, Spanish
  - **Subtitles:** English, French, Spanish
- **Scene Selection:** Access the 'Scene Selection' or 'Chapters' menu to jump to specific parts of the movie.

Maintenance

Proper care of your DVD will ensure its longevity and optimal performance.

- **Handling:** Always hold the DVD by its outer edges or by placing a finger through the center hole. Avoid touching the shiny playback surface.
- **Cleaning:** If the disc becomes dirty or smudged, gently wipe it with a soft, lint-free cloth. Wipe from the center of the disc outwards in a straight line, not in a circular motion. Do not use abrasive cleaners or solvents.
- **Storage:** Store the DVD in its original case when not in use. Keep it away from direct sunlight, extreme temperatures, and high humidity.
- **Avoid Scratches:** Do not place the disc on rough surfaces or expose it to objects that could scratch it.

Troubleshooting

If you encounter issues while playing your Disney Zombies DVD, consider the following common solutions:

- **Disc Not Playing/Reading:**
  - Ensure the disc is inserted correctly with the label side facing up.
  - Check the disc for dirt, smudges, or scratches. Clean it gently if necessary.
  - Verify that your DVD player is compatible with standard DVD-Video discs.
  - Try playing another DVD to confirm the player is functioning correctly.

- **Skipping or Freezing:**
  - Clean the disc as described in the Maintenance section.
  - Ensure the DVD player is on a stable surface to prevent vibrations.
  - If the issue persists, the disc may be damaged.
- **No Audio or Video:**
  - Check all cable connections between your DVD player and television.
  - Ensure the correct input source is selected on your television.
  - Adjust the volume on both your television and DVD player.
  - Verify that the audio language is set to your preferred option in the DVD menu.
