## COBI 26602

# COBI Boeing 777X Building Block Set (Model 26602)

Instruction Manual

## INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your COBI Boeing 777X building block set, model 26602. Please read all instructions carefully before beginning assembly to ensure a correct and enjoyable building experience. This set is designed for enthusiasts aged 6 years and older.

## ASSEMBLY INSTRUCTIONS

The COBI Boeing 777X set contains 625 pieces. Follow the step-by-step instructions provided in the physical instruction booklet included in your product box. Ensure all pieces are accounted for before starting. Sort pieces by color and type to facilitate the building process.

### Key Assembly Stages:

- **Fuselage Construction:** Begin by assembling the main body of the aircraft, ensuring structural integrity.
- **Wing Assembly:** Attach the wings to the fuselage, paying attention to the folding wing mechanism.
- **Engine Installation:** Securely attach the engine nacelles to the wings.
- **Landing Gear:** Assemble and integrate the retractable landing gear system.
- **Cockpit and Cabin:** Construct the cockpit area and any interior cabin details, including placement of figures.
- **Tail Section:** Complete the vertical and horizontal stabilizers.

## OPERATIONAL FEATURES

Your COBI Boeing 777X model includes several interactive features:

- **Retractable Landing Gear:** The landing gear can be manually extended for display or retracted for flight simulation.
- **Folding Wingtips:** The wingtips are designed to fold upwards, mimicking the real Boeing 777X's unique feature for ground operations.
- **Rotating Engine Turbines:** The turbines within the engine nacelles can be manually rotated.
- **Opening Cockpit/Cabin:** Sections of the fuselage, including the cockpit and a cabin area, can be opened to place or remove the included figures.

## MAINTENANCE

To ensure the longevity and appearance of your COBI Boeing 777X model:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For deeper cleaning, use a slightly damp cloth with mild soap and water, then wipe dry immediately. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic pieces.
- **Handling:** Handle the model with care, especially when operating movable parts, to prevent accidental detachment of pieces.

## TROUBLESHOOTING

- **Missing Pieces:** If you discover any missing pieces during assembly, please refer to the manufacturer's contact information provided in the original packaging for assistance.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. Sometimes, re-assembling a section can resolve looseness.
- **Difficulty with Movable Parts:** If a movable part (e.g., landing gear, folding wing) is stiff, check for any

misaligned pieces or obstructions. Do not force the mechanism.

## SPECIFICATIONS

Feature	Detail
Model Number	26602
Brand	COBI
Product Dimensions (L x W x H)	50.01 x 6.6 x 32 cm (19.7 x 2.6 x 12.6 inches)
Weight	1.07 kg (2.36 lbs)
Number of Pieces	625
Material Type	97% ABS Plastic
Recommended Age	6 years and older
Assembly Required	Yes
Batteries Required	No
