## Hot Wheels FTB67

# Hot Wheels City Car Wash and Giant Gator Instruction Manual

Model: FTB67

## INTRODUCTION

---

The Hot Wheels Ultimate Gator Car Wash playset provides an interactive experience with water play and color-changing features. This manual provides instructions for assembly, operation, and maintenance to ensure safe and enjoyable use of the product.

## WHAT'S IN THE BOX

---

- Hot Wheels Ultimate Gator Car Wash Playset components
- 1 Color Shifters car

*Note: Additional cars and track sets are sold separately.*

## SETUP

---

Follow these steps to assemble your Hot Wheels Ultimate Gator Car Wash playset:

1. **Unpack Components:** Carefully remove all parts from the packaging. Refer to the included diagram for component identification.
2. **Assemble Base:** Connect the main base sections securely. Ensure all connection points click into place.
3. **Attach Elevator Tower:** Secure the tall elevator tower to the designated slot on the base. The manual crank mechanism should be easily accessible.
4. **Install Water Tower:** Place the red water tower onto its support structure. Ensure it is stable and the spigot aligns with the track below.
5. **Connect Tracks:** Attach the orange and blue track pieces according to the assembly diagram. Pay attention to the entry and exit points for the car wash and whirlpool sections.
6. **Position Gator:** Ensure the green gator figure is correctly positioned within its designated area, allowing cars to pass through its mouth.

7. **Final Checks:** Verify all connections are secure and the playset is stable before adding water or cars.

PLAYSET INCLUDES ONE COLOR SHIFTERS™ VEHICLE. ALL OTHERS SOLD SEPARATELY.

## OPERATING INSTRUCTIONS

---

The Hot Wheels Ultimate Gator Car Wash offers several interactive features:

- **Manual Crank Elevator:** Place a car at the base of the tall tower. Use the manual crank to lift the car to the top, where it can then proceed onto the track.

*Image: A hand operating the manual crank to move a car up the elevator.*

- **Water Tower Drench:** Fill the red water tower at the top with water. Turn the knob to release water onto cars passing through the designated section of the track, initiating color changes for Color Shifters cars.

*Image: A Hot Wheels car passing under the water tower, receiving a drench.*

- **Car Wash Brushes and Rollers:** Guide cars through the push-around-play brushes and rollers for a simulated car wash experience.
- **Whirlpool Chamber and Gator Chomping:** Cars can enter the whirlpool chamber for another color change. Push the red button to activate the spinning whirlpool. As cars exit, they must navigate past the gigantic gator's jaws.

*Image: A hand pressing the red button to activate the spinning whirlpool feature.*

Image: A close-up view of a Hot Wheels car in the whirlpool, with the gator's head visible nearby.

- **Color Shifters Cars:** The playset is designed for use with Hot Wheels Color Shifters cars, which change color when exposed to different water temperatures. Warm water typically changes the car to one color, and cold water changes it to another.

### Official Product Video: Operation Overview

Your browser does not support the video tag.

Video: This video demonstrates the assembly and various operational features of the Hot Wheels Ultimate Gator Car Wash playset, including the elevator, water tower, and whirlpool action.

## MAINTENANCE

- **Cleaning:** After use, especially with water, drain all water from the playset. Wipe down all surfaces with a damp cloth to remove any residue. Allow all parts to air dry completely before storage to prevent mold or mildew.
- **Storage:** Store the playset in a clean, dry place away from direct sunlight and extreme temperatures. Disassembly may be required for compact storage.

## TROUBLESHOOTING

- **Cars Getting Stuck:** Ensure all track connections are secure and properly aligned. Check for any debris or foreign objects obstructing the track.

- **Water Leakage:** Verify that the water tower and whirlpool chamber are correctly assembled and sealed. Ensure the playset is placed on a flat, stable surface.
- **Color Change Issues:** Ensure you are using genuine Hot Wheels Color Shifters cars. The effectiveness of color change depends on a noticeable temperature difference between the water sources.

## SPECIFICATIONS

---

<b>Product Dimensions:</b>	26 x 6 x 17 inches
<b>Item Weight:</b>	4.91 pounds
<b>Item Model Number:</b>	FTB67
<b>Manufacturer Recommended Age:</b>	4 - 8 years
<b>Manufacturer:</b>	Mattel
<b>Release Date:</b>	May 15, 2018

## SAFETY INFORMATION

---

This product is intended for children aged 4 to 8 years. Adult supervision is recommended during play, especially when using water. Do not use with hot water that could cause burns. Ensure all small parts are securely attached to prevent choking hazards for younger children.

## WARRANTY AND SUPPORT

---

For warranty information or product support, please refer to the manufacturer's official website or contact their customer service department. Keep your purchase receipt for proof of purchase.
