SETUP INSTRUCTIONS

1. **Unpack the Playset:** Carefully remove all components from the packaging.
2. **Open the Compact:** The playset is shaped like a sandcastle when closed. Gently open the compact to reveal the beach-themed interior. The purple shell on the front acts as a latch.
3. **Apply Stickers (Polly Stick Technology):** Locate the included sticker sheet. These stickers allow the micro dolls to stick to various surfaces within the playset. Peel a sticker and place it on any flat surface inside the compact where you wish the dolls to stand securely.

MAINTENANCE

- **Cleaning:** To clean the playset, wipe surfaces with a damp cloth. Do not immerse the playset in water. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, close the compact to protect the interior components and dolls. Store in a dry, cool place away from direct sunlight.

TROUBLESHOOTING

- **Lost Parts:** Due to the small size of the dolls and accessories, it is recommended to play over a contained surface to prevent loss. If parts are lost, replacement parts are generally not available directly from the manufacturer for individual components.
- **Polly Stick Not Sticking:** Ensure the sticker surface is clean and free of dust or debris. If the dolls are not sticking, try repositioning the sticker or using a fresh one from the sticker sheet.
