OPERATING INSTRUCTIONS

Once assembled, your Mega Construx Pokemon figures are ready for imaginative play and display. These figures feature articulated parts for dynamic posing.

- **Dragonite:** The 7.5-inch Dragonite figure features an articulated body, allowing for various flight and attack poses. Adjust its limbs and body segments to recreate iconic movements.
- **Togetic:** The 2.5-inch Togetic figure has articulated arms, wings, and head. Position its shield accessory for defensive stances.
- **Battle Environment:** Utilize the buildable battle environment as a display base or as part of your play scenarios.

Experiment with different poses to bring your Pokemon battles to life or to create a captivating display.

MAINTENANCE

To ensure the longevity and appearance of your Mega Construx figures, follow these simple maintenance guidelines:

- **Cleaning:** Wipe figures gently with a dry, soft cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the figures and any disassembled pieces in a cool, dry place away from direct sunlight and extreme temperatures. This helps prevent discoloration and material degradation.
- **Handling:** Handle figures with care, especially articulated joints, to prevent breakage.

TROUBLESHOOTING

If you encounter any issues with your Mega Construx set, consider the following common solutions:

- **Missing Pieces:** Double-check all packaging materials and the assembly area. If pieces are genuinely missing, contact Mega Brands customer support (see Warranty and Support section).
- **Difficulty Connecting Pieces:** Ensure you are using the correct pieces as indicated in the instruction booklet. Apply firm, even pressure. If a piece is consistently difficult, check for any molding

imperfections.

- **Figures Not Holding Pose:** Ensure all articulated joints are fully engaged. Over time, joints may loosen with extensive play; gentle adjustments or minor repairs may be needed.
