Mega Bloks Build & Race Garage FVJ02 Instruction Manual

Model: FVJ02

1. INTRODUCTION

The Mega Bloks Build & Race Garage is a 60-piece building set designed for young children aged 12 months to 5 years. This set encourages creative play and helps develop fine motor skills through building and imaginative racing scenarios. It features a buildable garage, two track pieces, an opening garage door, a starting line lever, and a customizable race car. All components are designed for easy handling by small hands and can be conveniently stored in the included container.

2. PACKAGE CONTENTS

Before assembly, ensure all 60 pieces are present. The set includes:

- Various building blocks for the garage structure.
- 2 track pieces.
- 1 buildable race car (consisting of 3 main pieces and 2 extra pieces for customization).
- An opening garage door component.
- A starting line lever.
- A storage container.

3. SETUP AND ASSEMBLY

Follow these steps to assemble your Mega Bloks Build & Race Garage:

1. **Unpack Components:** Carefully remove all 60 building blocks and accessories from the storage container.
2. **Build the Garage Base:** Begin by connecting the larger base blocks to form the foundation of the garage structure. Refer to the images for guidance on block placement.
3. **Construct Walls and Features:** Continue stacking blocks to create the garage walls. Integrate the opening garage door mechanism into the designated area.
4. **Attach Track Pieces:** Connect the two track pieces to the garage structure, ensuring they are securely fastened to allow for smooth car movement.
5. **Assemble Race Car:** Put together the three main pieces of the race car. You can then use the two extra pieces to customize its appearance.
6. **Place Starting Lever:** Position the starting line lever at the beginning of one of the tracks.

4. OPERATING INSTRUCTIONS

Once assembled, the Mega Bloks Build & Race Garage offers various play possibilities:

- **Race Car Play:** Place the buildable race car at the top of a track. Use the starting line lever to launch the car down the ramp.
- **Garage Door Interaction:** Open and close the garage door to simulate car entry and exit for maintenance or storage.
- **Customization:** Use the extra car pieces to change the look of your race car, fostering creativity and design skills.
- **Creative Building:** The blocks are compatible with other Mega Bloks First Builders sets, allowing for expanded building and imaginative play.

5. MAINTENANCE

To ensure the longevity and hygiene of your Mega Bloks Build & Race Garage:

- **Cleaning:** All plastic components can be wiped clean with a damp cloth and mild soap. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** After play, disassemble the set if desired and store all pieces in the provided container to prevent loss and keep the play area tidy.

6. TROUBLESHOOTING

If you encounter any issues with your Mega Bloks Build & Race Garage, consider the following:

- **Blocks Not Connecting:** Ensure blocks are aligned correctly before pressing them together. Apply gentle, even pressure.
- **Car Not Rolling Smoothly:** Check the track pieces for any obstructions or misalignments. Ensure the car's wheels are clean and free of debris.
- **Missing Pieces:** Refer to the package contents list. If a piece is genuinely missing upon opening, contact customer support.
