# Graco Benton 4-in-1 Convertible Crib and Changer Instruction Manual

Model: 04586-64B

## INTRODUCTION

This manual provides essential information for the safe and proper assembly, use, and maintenance of your Graco Benton 4-in-1 Convertible Crib and Changer. Please read all instructions carefully before assembly and retain this manual for future reference. This product is designed to adapt to your child's growth, converting from a crib to a toddler bed, daybed, and full-size bed with headboard.

## SAFETY INFORMATION

Your child's safety is paramount. Always follow these guidelines:

- **Read all instructions:** Ensure you understand all assembly and usage instructions before using the product.
- **Regular Inspection:** Periodically check all screws, bolts, and fasteners to ensure they are tight and secure. Do not use the crib if any parts are missing, damaged, or broken.
- **Mattress Safety:** Use only a mattress that is at least 27 1/4 inches (69 cm) by 51 5/8 inches (131 cm) with a thickness not exceeding 6 inches (15 cm). The mattress must fit snugly without gaps.
- **Child Height Limit:** Discontinue use of the crib when your child begins to climb out or reaches 35 inches (89 cm) in height.
- **Changing Table Safety:** Always use the safety strap provided with the changing pad. Never leave a child unattended on the changing table.
- **Choking Hazard:** Keep small parts, plastic bags, and packaging materials away from children.
- **Certifications:** This product is GREENGUARD Gold Certified, screened for over 10,000 chemicals and VOCs, and JPMA Certified, meeting or exceeding all applicable safety standards.

## SETUP

Assembly is required. Follow the step-by-step instructions provided in the separate assembly guide included with your product. A general overview of the setup process is as follows:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the components list.
2. **Assemble Crib Frame:** Attach the side rails to the headboard and footboard using the provided hardware.
3. **Install Mattress Support:** Secure the mattress support base at the desired height. There are three adjustable height options.
4. **Assemble Changing Table:** Construct the changing table frame, including the drawers and open shelves.
5. **Attach Changing Table:** Securely attach the assembled changing table to the crib frame.
6. **Install Changing Pad:** Place the water-resistant changing pad on the changing table and secure it with the safety strap.

For detailed visual instructions, please refer to the assembly diagrams in your product's dedicated assembly manual.

## OPERATING INSTRUCTIONS

---

### Crib Use

Place your child in the crib on their back. Ensure the mattress is firm and fits snugly. Adjust the mattress support base to the appropriate height for your child's developmental stage. The highest position is for infants, and lower positions are for older babies who can sit or stand.

### Changing Table Use

Always use the changing pad with the safety strap. Place your child on the changing pad and secure the safety strap around them. Keep all necessary changing supplies within reach but away from the child. Never leave your child unattended on the changing table.

### Conversions

The Graco Benton 4-in-1 Crib and Changer converts to a toddler bed, daybed, and full-size bed. Conversion kits and mattresses are sold separately.

- **Toddler Bed:** Remove the front crib rail and install the Graco Toddler Guardrail (sold separately).
- **Daybed:** Remove the front crib rail. No guardrail is used for the daybed configuration.
- **Full-Size Bed:** Remove all crib rails and the changing table. Attach the headboard to a Graco Full-Size Conversion Kit (sold separately) and a standard full-size mattress.

### MAINTENANCE

---

To maintain the quality and safety of your Graco Benton Crib and Changer:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid abrasive cleaners or strong chemicals that could damage the finish or materials.
- **Storage:** If storing the product, do so in a dry, temperature-controlled environment to prevent warping or damage.
- **Hardware:** Periodically check all hardware for tightness. Loose hardware can lead to instability and safety hazards.

### TROUBLESHOOTING

---

If you encounter issues with your Graco Benton Crib and Changer, consider the following:

- **Wobbly Structure:** Ensure all bolts and screws are fully tightened. Re-check assembly steps to confirm correct part placement.

- **Drawers Not Sliding Smoothly:** Verify that the Euro drawer glides are correctly installed and free from obstructions. Ensure drawers are not overloaded.
- **Difficulty with Conversions:** Refer to the specific conversion instructions provided with the optional conversion kits. Ensure all necessary parts are acquired.
- **Missing Parts:** If any parts are missing upon unboxing, contact customer support immediately. Do not attempt to substitute parts.
