MINNIE Minnie Mouse Sing and Spin Scooter Minnie Feature Plush

MINNIE Minnie Mouse Sing and Spin Scooter Minnie Feature Plush Instruction Manual

Model: Minnie Mouse Sing and Spin Scooter Minnie Feature Plush

PRODUCT OVERVIEW

The Minnie Mouse Sing and Spin Scooter Minnie Feature Plush is an interactive toy inspired by the Disney Junior series, Minnie's Happy Helpers. This plush toy features Minnie Mouse on a scooter, capable of singing, scooting, twisting, and performing 360-degree spins. Minnie's signature bow lights up during operation. The set includes Minnie's companion, Snowpuff, who can be removed from the scooter's basket for separate play. This product is designed for children aged 3 years and older.

SAFETY INFORMATION

Warning: This product may contain small pieces. Adult supervision is recommended, especially for younger children, to prevent choking hazards. Please ensure all packaging materials are removed and disposed of properly before giving the toy to a child. Do not modify the toy in any way. Keep away from open flames or direct heat sources.

Battery Safety: If batteries are required (not included), always use the correct size and type of batteries as specified by the manufacturer. Do not mix old and new batteries, or different types of batteries. Insert batteries with correct polarity (+ and -). Remove exhausted batteries promptly. Remove batteries if the toy will not be used for an extended period. Dispose of batteries responsibly.

WHAT'S IN THE BOX

- One (1) Minnie Mouse Sing and Spin Scooter Minnie Feature Plush

Note: Batteries are typically not included and must be purchased separately. Please check product packaging for specific battery requirements.

SETUP

1. **Unpackaging:** Carefully remove the Minnie Mouse Sing and Spin Scooter Minnie Feature Plush from its packaging. Retain packaging for future reference if needed.
2. **Battery Installation:** Locate the battery compartment, usually on the underside of the scooter or plush. Using a small screwdriver (if required), open the compartment. Insert the required number and type of batteries (e.g., AA or AAA, typically 3-4) ensuring correct polarity. Close the battery compartment securely.
3. **Initial Check:** Before play, ensure Minnie is securely attached to the scooter. Snowpuff is located in the front basket and can be removed.

OPERATING INSTRUCTIONS

The Minnie Mouse Sing and Spin Scooter Minnie Feature Plush offers interactive play features:

1. **Activation:** Locate the "ON/OFF" switch, typically on the scooter's base. Slide the switch to the "ON" position.
2. **Sing and Spin Feature:** To activate Minnie's singing, scooting, twisting, and 360-degree spins, gently tap Minnie's signature bow. The bow will light up as Minnie performs her actions and sings a catchy song.
3. **Wheelies:** Minnie is designed to perform wheelies. This action is part of her automated movement when activated.
4. **Snowpuff Interaction:** Snowpuff, Minnie's pal, is situated in the scooter's front basket. Children can remove Snowpuff from the basket for separate imaginative play and adventures.

MAINTENANCE

- **Cleaning:** To clean the plush toy, gently wipe the surface with a damp cloth and mild soap. Do not immerse the toy in water, as this may damage the electronic components. Allow to air dry completely.
- **Storage:** Store the toy in a clean, dry place away from direct sunlight and extreme temperatures when not in use.
- **Battery Replacement:** Replace batteries when the toy's sounds become faint or movements slow down. Refer to the "Setup" section for battery installation instructions.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Minnie does not sing or move.	- Power switch is OFF. - Batteries are depleted or incorrectly installed.	- Ensure the power switch is in the "ON" position. - Check battery compartment. Replace with fresh batteries, ensuring correct polarity.
Minnie's movements are slow or sounds are faint.	Batteries are low.	Replace all batteries with new ones.
Minnie's bow does not light up.	- Batteries are depleted. - Internal connection issue.	- Replace batteries. - If issue persists after battery replacement, contact customer support.
