Vida Designs Oxford 5-Tier Cube Bookcase Instruction Manual

Model: B079NBSQZ7.VC.UK | Brand: Vida Designs

Introduction

Thank you for purchasing the Vida Designs Oxford 5-Tier Cube Bookcase. This manual provides essential information for the safe assembly, proper use, and maintenance of your new bookcase. Please read these instructions carefully before beginning assembly and retain them for future reference.

Safety Information

Attention: Read the instructions carefully before installing the product. Do not wear loose clothing or jewelry when assembling and cleaning the product. Make sure the shelf is mounted stably and is not overloaded to avoid injury or damage. The maximum weight capacity per shelf is 3 kg (6.6 lbs). The total maximum weight for the unit is 9.5 kg (20.9 lbs).
Wall Mounting: For enhanced stability and safety, especially in households with children or pets, it is highly recommended to secure the bookcase to a wall using the provided anti-tip kit. This prevents accidental tipping.

Package Contents

Before assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, please contact Vida Designs customer support.

- Bookcase panels (top, bottom, sides, shelves)
- Back panel
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tip kit (strap, screws, wall anchors)
- Instruction manual

Setup and Assembly

This bookcase is designed for self-assembly. Please follow these steps carefully. A Phillips head screwdriver and a hammer (not included) may be required.

1. **Prepare the Area:** Clear a spacious, clean, and flat surface for assembly. Lay out all components and hardware.
2. **Assemble Side Panels:** Attach the top and bottom panels to one of the side panels using the provided dowels and screws/cam locks. Ensure all connections are secure.
3. **Insert Shelves:** Slide the shelves into the pre-drilled holes on the assembled side panel. Secure them with the appropriate hardware.
4. **Attach Second Side Panel:** Connect the remaining side panel to the shelves, top, and bottom panels, ensuring all connections are tight.
5. **Install Back Panel:** Carefully align and attach the back panel to the rear of the bookcase using small nails or screws. This adds stability and squareness to the unit.
6. **Install Anti-Tip Kit:** Locate a suitable wall stud or use appropriate wall anchors. Attach one end of the anti-tip strap to the top rear of the bookcase and the other end securely to the wall. Ensure the strap is taut.
7. **Final Check:** Gently shake the assembled bookcase to ensure all connections are secure and the unit is stable.

Operating and Usage

The Oxford 5-Tier Cube Bookcase is designed for organizing and displaying books, decorative items, and other household essentials. Each shelf is optimized for daily use and can support up to 3 kg (6.6 lbs). Do not exceed this weight limit per shelf or the total unit weight capacity of 9.5 kg (20.9 lbs) to prevent damage or injury.

Maintenance and Care

To maintain the appearance and longevity of your bookcase, follow these simple care instructions:

- **Cleaning:** Wipe with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals, as they may damage the finish.
- **Spills:** Immediately wipe any spills with a dry cloth to prevent moisture damage.
- **Placement:** Avoid placing the bookcase in direct sunlight or near heat sources, which can cause fading or warping.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

Troubleshooting

If you encounter any issues with your bookcase, please refer to the following common solutions:

- **Wobbling:** Ensure all screws and cam locks are fully tightened. Check that the bookcase is on a level surface. If wall-mounted, ensure the anti-tip kit is securely installed.
- **Missing Parts:** Double-check the packaging. If parts are genuinely missing, contact Vida Designs customer support with your purchase details.
- **Difficulty Assembling:** Review the assembly steps carefully. Ensure components are oriented correctly. Do not force parts together.
