# Schleich Wild Life Off-Road Jeep with Rope Winch Playset Instruction Manual

Model: 42410

## 1. PRODUCT OVERVIEW

Explore the wild with the Off-Roader with Rope Winch, a fun, educational toy playset from Schleich! This playset is authentically detailed, and is ideal for hours of imaginative play. 17 pieces. The Off-Roader with Rope and Winch playset is part of Wild Life, where brave Ranger Tom and his sidekick meerkat Ted travel the world and record their animal encounters in a journal. Ranger Tom travels in many different vehicles, including a helicopter, truck, and quad bike! Where will they go next? Come join the adventure! Ideal for pre-school children aged 3-8. Schleich® is a German toy company, and we bring realism to a new level. Our high quality, immersive playworlds open up a world of imaginative possibilities to toddlers and kids through safe and educational play. All Schleich products are carefully designed to inspire healthy and creative pretend play for children as both a single toy or part of a larger collection. All products and the materials used meet or exceed the strictest applicable national and international toy safety requirements.

### Key Features:

- **Detailed & Realistic:** Crafted with precision and authentic detail to create a lifelike toy that teaches and inspires toddlers and kids; helps introduce children to animals. From the first sketch to the intricate finishing touches, we see value in every detail.
- **Healthy Imaginative Play:** The Off-Roader with Rope Winch playset from Schleich is carefully designed to inspire safe and creative pretend play for children as both a single toy or part of a larger collection.
- **Part of a Growing Play World:** Off-Roader with Rope Winch is part of the Wild Life collection of figurines and playsets from Schleich. Great for gifting, this playset can stand alone or fit into a larger, modular play world.
- **Built to Last:** As an 85-year-old German toy company, we are committed to manufacturing realistic toys with the highest standard of quality and safety for years of durable play and collectability. All products and the materials used meet or exceed the strictest applicable toy safety requirements.

## 2. SAFETY INFORMATION

**WARNING: Choking Hazard - Small parts. Not for children under 3 years.**

This playset contains small parts that may be swallowed. Adult supervision is recommended during play, especially with younger children, to ensure safe use and prevent choking hazards.

## 5. OPERATING INSTRUCTIONS

### 5.1. Using the 4x4 Vehicle:

- Place the Ranger figure in the driver's seat. The figure is articulated to fit comfortably.
- The vehicle features rolling wheels for imaginative play on various surfaces.
- The rear doors of the vehicle open to reveal a spacious interior for transporting animals or equipment.
- The roof hatch also opens, allowing access to the interior or for placing items on top.

17 piece set!

## 5.2. Operating the Rope Winch:

- The winch is located at the front of the vehicle.
- To extend the rope, gently pull the hook outwards.
- To retract the rope, turn the knob on the side of the winch.
- Use the winch to simulate pulling the vehicle out of difficult terrain or lifting objects.

*Image: The chimpanzee operating the winch to pull the jeep.*

### 5.3. Using Accessories:

- The petrol canisters can be used to simulate refueling the vehicle.
- The wheel brace is for changing tires.
- The aluminium box, spade, axe, and knife are for various adventure scenarios.
- The veterinary kit (syringe, stethoscope, ointment, bandage) allows for imaginative animal care.

## 6. MAINTENANCE

---

- Clean the playset components with a damp cloth and mild soap. Avoid harsh chemicals.
- Ensure all parts are dry before storing.
- Store the playset in a cool, dry place away from direct sunlight to prevent material degradation.
- Regularly check for any loose or damaged parts. Discontinue use if any part is broken.

## 7. TROUBLESHOOTING

---

### 7.1. Winch Not Operating Smoothly:

- Check if the rope is tangled or obstructed. Untangle if necessary.
- Ensure the winding mechanism is free of debris.

### 7.2. Parts Detaching Easily:

- Some smaller accessories are designed to be removable for versatile play. Reattach them firmly.
- If a structural part of the vehicle or a figure consistently detaches, inspect for damage.
