INTRODUCTION

Thank you for choosing the Graco EveryWay Soother Baby Swing with Removable Rocker. This innovative product is designed to provide comfort and entertainment for your baby with its versatile features and soothing motions. Please read this manual carefully before assembly and use to ensure safe and proper operation.

SAFETY INFORMATION

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- Always use the restraint system.
- Never leave child unattended.
- Do not use this product if your child can sit up unaided or weighs more than 25 lbs (11.3 kg) for the swing, or 18 lbs (8.1 kg) for the rocker.
- Never use the swing or rocker on an elevated surface.
- Always place the product on a firm, flat surface.
- Keep children away from the product during assembly and disassembly.
- Ensure all parts are securely fastened before each use.

PRODUCT FEATURES

The Graco EveryWay Soother offers a comprehensive set of features designed for your baby's comfort and your convenience:

- **16 Soothing Motions:** Combines 8 unique swing motions (arch, swing, bounce, figure 8, circle, wave, zig-zag, sway) with 2 swing directions (side-to-side or front-to-back).
- **Removable Rocker:** The swing seat detaches to become a portable rocker for use throughout your

home.

- **6 Swing Speeds:** Allows you to customize the pace to your baby's preference.
- **2-Speed Soothing Vibration:** Provides gentle vibrations to help calm your baby.
- **3 Recline Positions:** Adjustable seat recline for optimal comfort.
- **15 Songs and Sounds:** Includes 10 classic melodies and 5 nature sounds to soothe and entertain.
- **Adjustable Mobile:** Features soft toys to engage your baby.
- **Plush Fabrics & Infant Head Support:** Soft materials and a removable infant head support ensure coziness.
- **AC Adapter:** For convenient power without batteries.

SETUP

Assembly of the Swing Base

Follow the instructions provided in the packaging for assembling the main swing base. Ensure all connections click into place and are secure before proceeding.

Attaching the Seat

Align the rocker seat with the swing base connectors and push down firmly until it locks into position. Verify that the seat is securely attached by gently pulling upwards.

OPERATING INSTRUCTIONS

Powering On/Off

Connect the AC adapter to a wall outlet and to the swing base. Press the power button on the control panel to turn the unit on or off.

Selecting Motions and Speeds

Use the motion selection buttons on the control panel to choose from the 8 available motions. Adjust the swing speed using the speed control buttons. The swing can operate in two directions: side-to-side or front-to-back, which can be selected via a switch on the base.

Vibration and Sound

Activate the 2-speed vibration feature using the dedicated button. Select from 15 songs and sounds, and adjust the volume using the respective buttons on the control panel.

Adjusting Recline and Mobile

The seat offers 3 recline positions for your baby's comfort. Adjust the position by pressing the recline buttons or levers, typically located on the sides of the seat. The overhead mobile can be adjusted or removed as needed.

REMOVABLE ROCKER USE

To use the removable rocker, ensure your baby is safely secured in the seat. Press the release buttons or levers on the swing base to detach the seat. Once detached, the seat functions as a standalone rocker, allowing you to move your baby easily from room to room.

MAINTENANCE

Regular cleaning and maintenance will help prolong the life of your Graco EveryWay Soother.

- **Cleaning Fabric:** The seat pad and infant head support are removable and machine washable. Refer to the care tag for specific washing instructions. Do not use bleach or harsh detergents.
- **Cleaning Frame:** Wipe the plastic and metal parts of the frame with a damp cloth and mild soap. Air dry thoroughly.
- **Storage:** When not in use, store the product in a clean, dry place away from direct sunlight.

TROUBLESHOOTING

If you encounter any issues with your Graco EveryWay Soother, please refer to the following common solutions:

- **Product not turning on:** Ensure the AC adapter is securely plugged into both the unit and a working wall outlet.
- **Swing not moving:** Check that the seat is correctly attached to the base. Verify the weight limit for

your child (5.5 to 25 lbs for swing, 5.5 to 18 lbs for rocker).

- **Unusual noises:** Ensure all components are properly assembled and tightened.
