Realspace Magellan 59"W L-Shape Corner Desk

Model: HS-MG-0174 | Brand: Realspace

INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your Realspace Magellan 59"W L-Shape Corner Desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- This product is heavy and/or oversized. Assembly may require more than one person.
- Always follow all safety instructions provided in the assembly manual.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand or sit on the desk.
- Keep small parts away from children during assembly to prevent choking hazards.

PACKAGE CONTENTS

Before assembly, verify that all components and hardware are present. Refer to the included parts list in your physical assembly manual. If any parts are missing or damaged, contact customer support.

SETUP AND ASSEMBLY

Assembly is required for this desk. The process typically takes 5-6 hours for one person. It is recommended to have a second person assist due to the weight of some components. Tools not included in the package, such as a 2.0 Δ screwdriver and a hammer, may be required.

1. **Unpack Components:** Carefully unpack all parts and hardware. Organize them by step number as indicated in the physical assembly manual.
2. **Follow Step-by-Step Instructions:** Refer to the detailed, numbered instructions provided in your product's assembly manual. Each step will specify the hardware needed.
3. **Assemble Base Structure:** Begin by assembling the main frame and supports of the L-shaped desk. Ensure all connections are secure.
4. **Install Drawers and Keyboard Tray:** Install the drawer glides and assemble the four drawers. The slide-out keyboard tray should also be installed according to the manual.
5. **Attach Desktop Surfaces:** Secure the laminate desktop surfaces to the assembled base.
6. **Cable Management System:** Utilize the integrated cord management system to organize computer cables, reducing clutter.
7. **Final Inspection:** Once assembled, check all screws and fasteners to ensure they are tight and the desk is stable.

OPERATING INSTRUCTIONS

The Realspace Magellan L-Shape Corner Desk is designed for efficient workspace organization.

- **Keyboard Tray:** The slide-out keyboard tray allows for ergonomic positioning of your keyboard and mouse, promoting comfortable typing.
- **Storage Drawers:** The four integrated drawers provide ample space for files, office supplies, and personal items. Ensure drawers are closed gently to prevent wear on the ball-bearing glides.
- **Cord Management:** Utilize the designated openings and channels to route and conceal power cords and data cables, maintaining a tidy workspace.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your desk, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the laminate finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the laminate.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Avoid Excessive Weight:** Do not place excessively heavy items on the desk or in drawers beyond their intended capacity.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose hardware or uneven floor.	Check and tighten all assembly screws. Ensure the desk is on a level surface.
Drawers do not slide smoothly.	Misaligned glides or obstruction.	Verify drawer glides are correctly installed and free of debris. Re-align if necessary.
Missing parts during assembly.	Packaging error.	Contact Realspace customer support with your model number and a description of the missing part.
