Toomax Woody's XL (077E)

Toomax Woody's XL Storage Cabinet Instruction Manual

Model: Woody's XL (077E) | Brand: Toomax

1. INTRODUCTION

This manual provides detailed instructions for the assembly, safe use, and maintenance of your Toomax Woody's XL Storage Cabinet. Please read all instructions carefully before beginning assembly or using the product to ensure proper function and longevity. This cabinet is designed for versatile storage in various indoor and covered outdoor environments.

2. SAFETY INFORMATION

- Always ensure the cabinet is assembled on a stable, level surface to prevent tipping.
- Do not exceed the maximum weight capacity for each shelf: one shelf can hold up to 30 kg, and the other three shelves can hold up to 15 kg each. Overloading can cause damage or injury.
- This cabinet is recommended for use in covered indoor or outdoor areas, such as covered terraces, utility rooms, attics, cellars, and garages.
- For added security, the cabinet is designed to be secured with a padlock (not supplied).
- Keep small parts away from children during assembly.

3. PACKAGE CONTENTS

Before starting assembly, verify that all components are present and undamaged. The package should contain:

- Cabinet panels (sides, top, bottom, back, doors)
- Four adjustable shelves
- Assembly hardware (screws, pins, etc.)

If any parts are missing or damaged, please contact your retailer for assistance.

4. SETUP AND ASSEMBLY

Assembly of the Toomax Woody's XL Storage Cabinet requires basic tools. Please follow the steps below for proper installation.

4.1 Tools Required

- Screwdriver (appropriate type for included hardware)
- Rubber mallet (optional, for gentle tapping)
- Liquid soap (optional, for back panel installation)

4.2 Assembly Steps

1. **Unpack and Identify Parts:** Lay out all components on a clean, flat surface. Refer to the included diagrams to identify each part.
2. **Assemble the Base:** Connect the bottom panel to the side panels according to the instructions. Ensure all connections are secure.
3. **Attach Back Panels:** Carefully slide the back panels into the designated grooves. *Tip:* If the back panels are difficult to slide, apply a small amount of liquid soap to the edges of the panels or the grooves for smoother insertion.
4. **Install Top Panel:** Secure the top panel to the assembled sides and back.
5. **Insert Shelves:** Place the four adjustable shelves at your desired heights. Ensure they are firmly seated in their supports.
6. **Attach Doors:** Mount the doors to the cabinet frame using the provided hinges and hardware. Ensure they open and close smoothly.
7. **Final Check:** Verify all connections are tight and the cabinet is stable.

Figure 2: Interior view of the cabinet with adjustable shelves.

5. OPERATING INSTRUCTIONS

The Toomax Woody's XL Storage Cabinet is designed for practical and efficient storage.

- **Storage Capacity:** Utilize the four adjustable shelves to organize items of various sizes. Remember the weight limits: one shelf supports up to 30 kg, and the other three support up to 15 kg each.

- **Placement:** Ideal for use in areas such as covered terraces, utility rooms, attics, cellars, and garages.
- **Security:** The cabinet features a design that allows for the use of a padlock (not included) to secure the contents. Insert a padlock through the designated holes on the door handles.

Figure 3: Detail of the door handles, indicating the padlock compatibility.

6. MAINTENANCE

The Toomax Woody's XL Storage Cabinet is designed to be maintenance-free, requiring minimal care to keep it in optimal condition.

- **Cleaning:** To clean the cabinet, simply wipe it down with a damp cloth and a mild soap solution.
- **Avoid:** Do not use abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the plastic surface and finish.
- **Inspection:** Periodically check all connections and hinges to ensure they remain secure.

7. TROUBLESHOOTING

If you encounter any issues with your Toomax Woody's XL Storage Cabinet, refer to the following common

troubleshooting tips:

- **Difficulty during assembly:** Ensure all parts are correctly oriented and aligned according to the assembly diagrams. If panels are stiff, applying a small amount of liquid soap to the grooves can aid insertion.
- **Cabinet instability:** Verify that the cabinet is placed on a flat, stable, and level surface. Re-check all assembled connections to ensure they are tight and secure.
- **Doors not closing properly:** Check for any obstructions inside the cabinet or along the door path. Inspect hinges for misalignment and adjust if necessary. Ensure the cabinet itself is level.
- **Damaged parts:** If any parts arrived damaged or become damaged during assembly, do not attempt to force them. Contact your retailer for replacement parts.

8. SPECIFICATIONS

Brand	Toomax
Model Name	Woody's XL
