1. **Choose a Suitable Surface:** Select a flat, stable surface large enough to accommodate the completed puzzle (approximately 38.2 x 13.4 inches). Ensure good lighting.
2. **Unpack the Pieces:** Carefully open the puzzle box and empty all pieces onto your prepared surface.
3. **Sort Edge Pieces:** Separate all pieces with at least one straight edge. These pieces will form the border of your puzzle.
4. **Sort by Color and Pattern:** Group remaining pieces by color, pattern, or distinct features. This can significantly aid in assembly.
