## SETUP

The Paladone PlayStation Controller Reliever Stress Ball requires no assembly or batteries. It is ready for immediate use upon removal from its packaging.

1. Remove the stress ball from its packaging.
2. Inspect the item for any visible damage or defects.
3. The product is now ready for use.

## OPERATING INSTRUCTIONS

To use the stress ball for stress relief or finger exercise:

- Hold the stress ball firmly in one hand.
- Gently squeeze and release the ball repeatedly.
- Vary the pressure and duration of squeezes as desired.
- Alternate hands for balanced exercise.

Use as needed throughout the day to manage stress or engage in light hand and finger exercise.

## CARE AND MAINTENANCE

Proper care will ensure the longevity of your stress ball.

- **Cleaning:** Wipe the surface with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry completely before storage. Do not submerge in water.
- **Storage:** Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid:** Do not expose to sharp objects, excessive force, or harsh chemicals, as these can damage the material.

## TROUBLESHOOTING

If you encounter any issues with your stress ball, consider the following:

- **Tears or Cracks:** If the stress ball develops tears or cracks, discontinue use to prevent further damage or exposure to internal materials.
- **Loss of Squeeze Resistance:** Over time, the material may lose some of its original resistance. This is normal wear and tear.
- **Unusual Odor:** If an unusual odor is present, clean the stress ball as per the 'Care and Maintenance' section. If the odor persists, discontinue use.
