BABYLO BL11873

BABYLO Cozi Sleeper Co-Sleeping Crib BL11873 Instruction Manual

PRODUCT OVERVIEW

The BABYLO Cozi Sleeper is designed to allow your baby to sleep safely next to you, providing comfort and convenience. This co-sleeping crib features a side panel that can be opened or zipped closed, 5-position height adjustment, a padded mattress, and soft quilted sides. It is equipped with two wheels for easy mobility, making it suitable for use from birth up to 9kg (approximately 6 months).

SAFETY INFORMATION

WARNING: This product is intended for use for babies aged between 0 and 6 months, weighing up to a maximum of 9kg (19.8lbs). When a child is able to sit, kneel, or pull itself up, the crib shall not be used anymore for this child. When in "co-sleeping mode" always ensure the crib is harnessed to the bed correctly and in accordance with this instruction manual. Failure to do so may endanger your child.

WHAT'S IN THE BOX

- 1 x Easy to assemble Cozi Sleeper Crib
- 1 x Mattress
- 1 x Fitted Sheet
- 1 x Carry Bag

ASSEMBLY AND SETUP

Follow these steps to assemble your BABYLO Cozi Sleeper. For a visual guide, please refer to the product

video below.

Step 1: Unpacking

Carefully remove all components from the packaging. Ensure all parts listed in "What's in the Box" are present.

Step 2: Frame Assembly

Assemble the main frame components. The crib is designed for easy setup, typically involving a few screws and slotting parts into place. An Allen key is usually provided.

Step 3: Attaching Fabric and Mattress

Secure the fabric components to the frame. Place the mattress inside the crib.

Step 4: Adjusting Height

The Cozi Sleeper features 5-position height adjustable arms. Press the buttons on the side arms to adjust the crib's height to match your bed.

Step 5: Extending Leg Arms

For enhanced stability, extend the leg arms by pressing the release buttons and pulling them outwards.

Step 6: Attaching to Bed (Co-Sleeping Mode)

To use in co-sleeping mode, unzip the side panel and detach the side frame. Use the provided fastening clip-on straps to securely harness the crib to your bed. Ensure there are no gaps between the crib and your mattress.

Video: This video demonstrates the key features of the BABYLO Cozi Sleeper, including height adjustment, co-sleeping mode setup, and portability.

OPERATING INSTRUCTIONS

Co-Sleeping Mode

To use the crib in co-sleeping mode, lower one side panel as described in the assembly section. Ensure the crib is securely attached to your bed using the provided straps to prevent any gaps. This allows for easy access to your baby while maintaining a separate, safe sleeping space.

Stand-Alone Crib Mode

When not used for co-sleeping, ensure both side panels are zipped up and secured. The mesh sides provide visibility and good air circulation for your baby.

Height Adjustment

The crib's height can be adjusted to 5 different positions to align with various bed heights. Each side can be adjusted independently, which is useful for beds with different frame heights or for creating a slight incline.

Mobility

The Cozi Sleeper is fitted with two wheels, allowing for easy movement between rooms. Ensure the wheels are locked when the crib is in its desired position.

Anti-Reflex / Anti-Flathead Incline

The independent height adjustment on each side allows for a slight incline, which can be beneficial for babies with congested breathing or reflux.

MAINTENANCE AND CARE

Cleaning Instructions

The removable lining of the Cozi Sleeper is machine washable for easy cleaning. Refer to the care label for specific washing instructions.

Mattress Care

The mattress comes with a zipped removable cover that is waterproof on one side and has a vented mesh on the other. This cover can be cleaned as needed.

SPECIFICATIONS

Feature	Detail
Model Number	BL11873
Product Dimensions	95 x 82 x 70 cm
Item Weight	11.5 kg
Target Gender	Unisex
Material Type	Cotton, Polyester, Mesh
Care Instructions	Machine Wash (removable lining)
