

Jabra Elite 45e

Jabra Elite 45e Wireless Earbuds Instruction Manual

1. INTRODUCTION

This manual provides detailed instructions for the use and maintenance of your Jabra Elite 45e Wireless Earbuds. These earbuds are designed to deliver a superior wireless experience for both calls and music, featuring advanced 2-microphone technology for clear conversations and a flexible memory wire neckband for a secure fit. The Jabra Sound+ app allows for personalized audio settings, and the earbuds offer one-touch access to voice assistants like Amazon Alexa, Siri, and Google Assistant.

The Jabra Elite 45e is rated IP54 for water and dust resistance, ensuring durability for daily use. With up to 8 hours of battery life on a single charge, these earbuds are built to support your communication and entertainment needs throughout the day.

2. WHAT'S IN THE BOX

Verify that all components are present in your product packaging:

- Jabra Elite 45e Wireless Earbuds
- Micro USB cable
- 3 sets of EarGels and Earwings (various sizes)
- User Manual (this document)
- Warranty and Warning Leaflets

3. SETUP

3.1 Charging the Earbuds

Before first use, fully charge your Jabra Elite 45e earbuds. Connect the included Micro USB cable to the charging port on the neckband and to a power source. A full charge takes approximately 2 hours and provides up to 8 hours of battery life for calls and music.

3.2 Bluetooth Pairing

1. Ensure the earbuds are charged.
2. Turn on the earbuds by pressing and holding the Multi-function button until the LED indicator flashes blue.
3. On your smartphone or device, go to the Bluetooth settings.
4. Select 'Jabra Elite 45e' from the list of available devices.
5. Once paired, the LED indicator will turn solid blue.

3.3 Achieving a Secure Fit

The Jabra Elite 45e features a flexible memory wire neckband that conforms to the shape of your neck for a comfortable and secure fit. Experiment with the different sizes of EarGels and Earwings provided to find the best fit for your ears. A proper fit is crucial for optimal sound quality and call performance.

4. OPERATING THE EARBUDS

4.1 Basic Controls

The integrated controls on the neckband allow you to manage calls, adjust volume, and control music playback. Refer to the quick start guide for a detailed diagram of button functions.

4.2 Voice Assistant Access

The Jabra Elite 45e provides one-touch access to your preferred voice assistant, including Amazon Alexa, Siri, and Google Assistant. Simply press the dedicated voice assistant button to activate and issue commands.

One-touch voice assistant access

Alexa, play some music.

OK Google, call mom.

Hey Siri, what song is this?

4.3 Call Management

The advanced 2-microphone technology ensures crystal-clear calls by filtering out background noise. Use the integrated controls to answer, end, or reject calls.

4.4 Music Playback

Enjoy your music with personalized sound settings. Download the Jabra Sound+ app to customize your audio experience with the built-in equalizer.

5. MAINTENANCE

5.1 Water and Dust Resistance

The Jabra Elite 45e earbuds are IP54-rated, meaning they are protected against dust ingress and splashing

water from any direction. This makes them suitable for various environments, including workouts. However, they are not designed for submersion in water.

5.2 Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds. Use a soft, dry cloth to wipe the surfaces. For the EarGels and Earwings, you may gently clean them with a damp cloth and mild soap, ensuring they are completely dry before reattaching.

6. TROUBLESHOOTING

If you encounter issues with your Jabra Elite 45e earbuds, try the following steps:

- **No Power:** Ensure the earbuds are fully charged. Connect them to a power source using the Micro USB cable.
- **Cannot Pair:** Make sure Bluetooth is enabled on your device and the earbuds are in pairing mode (LED flashing blue). Try unpairing and re-pairing the device.
- **Poor Sound Quality:** Check the fit of the EarGels and Earwings. Ensure they create a good seal in your ear. Adjust settings in the Jabra Sound+ app.
- **Call Issues:** Ensure the earbuds are connected to your phone. Check your phone's audio output settings to confirm the Jabra Elite 45e is selected.
- **Unresponsive Controls:** Try resetting the earbuds (refer to the Jabra support website for specific instructions).
