SETUP INSTRUCTIONS

Follow these steps to assemble your Tropical Party Playset:

1. **Unpack Components:** Carefully remove all pieces from the packaging.
2. **Battery Installation:** The playset requires 3 AA batteries. Locate the battery compartment on the underside of the main playset unit. Use a Phillips head screwdriver to open the compartment. Insert the batteries, ensuring correct polarity (+/-). Close the compartment securely.

Note: Batteries are typically included. If replacing, use new alkaline batteries for optimal performance.

3. **Assemble Playset Base:** Place the main playset base on a flat, stable surface.
4. **Attach Structures:**
 - Connect the pink hut structure to its designated slot on the left side of the base.
 - Connect the green waterfall structure to its designated slot on the right side of the base.
 - Ensure all connections are firm.
5. **Punch-out Accessories:** Carefully detach the papercraft snack shack, surfboards, pool floaties, and other decorative elements from the chip art sheets.
