

## vidaXL 43557

# vidaXL Outdoor Aviary Instruction Manual

MODEL: 43557 (178 x 122 x 194 cm)

Brand: vidaXL

## 1. Introduction

Thank you for choosing the vidaXL Outdoor Aviary. This high-quality aluminum aviary provides a secure and spacious environment for your birds, suitable for outdoor use. Its robust construction ensures durability and offers ample space for exercise and play. This manual provides essential information for the safe assembly, operation, and maintenance of your aviary.

## 2. Safety Information

- **Sharp Edges:** The aluminum mesh panels may have sharp edges. Handle all mesh components with extreme care during unpacking and assembly. It is highly recommended to wear heavy-duty gloves to prevent cuts and abrasions.
- **Assembly:** Assembly requires precision and can be challenging. We recommend two adults for safe and efficient assembly. Follow all instructions carefully.
- **Stability:** Ensure the aviary is assembled on a flat, stable, and level surface to prevent tipping. Secure it to the ground if necessary, especially in windy conditions.
- **Children and Pets:** Keep children and other pets away from the assembly area to avoid injury.
- **Inspection:** Regularly inspect the aviary for any damaged or loose parts, especially sharp edges that could harm your birds. Repair or replace as needed.

## 3. Package Contents

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Aluminum frame components
- Aluminum mesh panels

- Door assembly
- Assembly hardware (screws, bolts, connectors)
- 1 x Perch
- 1 x Bowl
- Instruction manual

## 4. Setup and Assembly

---

Assembly of the vidaXL Outdoor Aviary requires attention to detail. All parts are labeled to assist with identification. Please refer to the diagrams for visual guidance.

1. **Unpack and Identify Parts:** Carefully unpack all components. Lay them out and identify each part using the labels and the parts list in this manual.
2. **Assemble the Base Frame:** Connect the base frame components according to the diagrams. Ensure all connections are secure and the frame is square.
3. **Erect Side and Roof Frames:** Attach the vertical and roof frame components to the base. Work systematically, ensuring each section is stable before proceeding.
4. **Attach Mesh Panels:** Carefully attach the aluminum mesh panels to the frame. Pay close attention to the orientation of each panel. **Remember to wear protective gloves due to sharp edges.**
5. **Install the Door:** Mount the door assembly onto the designated frame section. Ensure the hinges operate smoothly and the latch mechanism functions correctly.
6. **Final Checks:** Once assembled, double-check all screws and connections to ensure they are tight and secure. Verify the overall stability of the aviary.
7. **Add Accessories:** Install the included perch and bowl inside the aviary at appropriate heights for your birds.

## 5. Operating Instructions

---

- **Placement:** Position the aviary in a sheltered outdoor location, away from strong winds and direct, prolonged sunlight. Ensure it is on a firm, level surface.
- **Introducing Birds:** Allow your birds to acclimate to their new environment gradually. Ensure they have access to food, water, and perches immediately.
- **Feeding and Watering:** Use the provided bowl for food and water. Ensure fresh water is always available.
- **Enrichment:** Provide additional perches, toys, and natural branches (safe for birds) to enrich their

environment and encourage activity.

- **Security:** Always ensure the door is securely latched to prevent escape and protect against predators.

## 6. Maintenance

- **Regular Cleaning:** Clean the aviary regularly to maintain hygiene. Remove droppings, old food, and refresh water daily. Periodically clean the entire structure with bird-safe disinfectants.
- **Mesh and Frame Inspection:** Regularly check the aluminum mesh for any damage, loose wires, or sharp points that could injure your birds. Inspect the frame for any signs of wear or corrosion.
- **Door Mechanism:** Ensure the door hinges and latch mechanism are functioning correctly. Lubricate if necessary with a non-toxic, bird-safe lubricant.
- **Perches and Bowls:** Clean and disinfect perches and bowls regularly. Replace worn or damaged perches.

## 7. Troubleshooting

- **Aviary Instability:** If the aviary feels unstable, re-check all frame connections and ensure they are tightened securely. Verify that the aviary is placed on a completely level surface.
- **Difficulty with Door Closure:** Check if the door frame is properly aligned. Adjust hinges if necessary. Ensure no debris is obstructing the latch mechanism.
- **Sharp Edges Detected After Assembly:** If you find any sharp edges on the mesh or frame after assembly, carefully file them down or cover them with bird-safe material to prevent injury to your birds.
- **Missing or Damaged Parts:** If you encounter missing or damaged parts during assembly, do not attempt to force assembly. Contact vidaXL customer support for assistance.
