Columbia Mens Dorado CVO PFG Boat Shoe User Manual

Model: 1815371

INTRODUCTION

The Columbia Dorado CVO PFG Boat Shoe is engineered for performance and comfort in aquatic environments. This manual provides essential information for the proper use, care, and maintenance of your boat shoes, ensuring their longevity and optimal performance.

KEY FEATURES

- Advanced Technology:** Features water and stain resistant material, a lightweight, durable midsole for long-lasting comfort and high energy return, and an advanced traction rubber sole for slip-free movement on various terrains.
- Construction:** Designed with a water and stain resistant open mesh and synthetic upper for comfort and protection during water activities.
- Adjustable Features:** Equipped with a lace-up closure for a customizable and secure fit.
- Versatile Style:** Offers both style and durability, suitable for various outdoor and casual settings.
- OMNI-GRIP:** Incorporates a multi-terrain traction system with specially formulated compounds and treads for reliable footing.

SETUP

Upon receiving your Columbia Dorado CVO PFG Boat Shoes, follow these steps for initial setup:

- Unpacking:** Remove the shoes from their packaging. Inspect them for any visible damage or manufacturing defects.
- Lacing Adjustment:** The shoes feature a lace-up closure. Adjust the laces to achieve a snug yet comfortable fit around your foot. Ensure the laces are evenly tightened to prevent pressure points.
- First Wear:** Wear the shoes for a short period indoors to ensure proper fit and comfort before extended outdoor use.

OPERATING INSTRUCTIONS

The Dorado CVO PFG Boat Shoes are designed for versatility and performance in various conditions, particularly those involving water.

- **Water Activities:** These shoes are ideal for boating, fishing, and other water-related activities due to their water and stain resistant properties and advanced traction outsole. The quick-drying mesh upper helps keep feet comfortable.
- **General Wear:** While optimized for water, their comfortable design and durable construction make them suitable for everyday casual wear.
- **Traction:** The OMNI-GRIP outsole provides superior traction on wet and dry surfaces. Exercise caution on extremely slippery surfaces.

MAINTENANCE AND CARE

Proper care will extend the life and maintain the performance of your boat shoes.

- **Cleaning:**

- For light dirt, wipe with a damp cloth.
- For heavier soiling, use a soft brush and mild soap with cold water. Avoid harsh detergents or abrasive cleaners.
- Rinse thoroughly to remove all soap residue.

- **Drying:**

- Allow shoes to air dry naturally in a well-ventilated area, away from direct heat or sunlight.
- Do not use a machine dryer, as high heat can damage materials.
- Stuffing with newspaper can help absorb moisture and maintain shape during drying.

- **Storage:** Store shoes in a cool, dry place when not in use. Avoid prolonged exposure to extreme temperatures.

TROUBLESHOOTING

If you encounter any issues with your Columbia Dorado CVO PFG Boat Shoes, consider the following common solutions:

- **Slipping:** Ensure the outsole is clean and free of debris. The OMNI-GRIP technology is designed for excellent traction, but extreme conditions or worn outsoles can reduce grip.
- **Uncomfortable Fit:** Re-adjust the laces to ensure they are not too tight or too loose. Consider wearing appropriate socks. If discomfort persists, verify you have the correct size using the size guide.
- **Odor:** Ensure shoes are thoroughly dried after each use. Regular cleaning and allowing them to air out can prevent odor buildup. Shoe deodorizers can also be used.
- **Stains:** While the shoes are stain-resistant, some stubborn stains may require immediate cleaning. Follow the cleaning instructions in the Maintenance section.

PRODUCT SPECIFICATIONS

Specification	Detail
---------------	--------

Specification	Detail
Model Name	Dorado CVO PFG
Model Number	1815371
Brand	Columbia
Material Type	Synthetic, Textile, Mesh
Closure Type	Lace-Up
Heel Type	Medium Heel
Water Resistance Level	Water Resistant
Sole Material	Synthetic
Item Weight	368 g
Department	Mens
Manufacturer	Columbia PFG
First Available Date	14 August 2020
