TOTO LT415G

TOTO Arvina LT415G Vessel Bathroom Sink Instruction Manual

Model: **LT415G** | Brand: **TOTO**

1. Introduction

The TOTO Arvina Rectangular 20" Vessel Bathroom Sink with CEFIONTECT for Single Hole Faucets is a modern and elegant sink that incorporates beautiful thin edges. The Arvina Vessel Sink features CEFIONTECT glaze, minimizing waste from adhering to ceramic surfaces, keeping your sink cleaner longer. The Arvina Vessel Sink features a front overflow and a single faucet mounting hole. The Arvina Vessel Sink is ADA compliant. Installation template included. Drain and faucet sold separately.

2. Important Safety Information

Please read all instructions carefully before installation and use. Failure to follow these instructions may result in property damage or personal injury. Retain this manual for future reference.

- Always turn off the main water supply before beginning any plumbing work.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, during installation.
- Ensure all connections are secure and watertight to prevent leaks.
- If you are unsure about any part of the installation process, consult a qualified plumber.
- Do not use harsh abrasive cleaners on the sink surface, as this may damage the CEFIONTECT glaze.

3. Package Contents

The package includes the TOTO Arvina LT415G Vessel Bathroom Sink. Please note that the drain and faucet are sold separately and are not included with this product.

Figure 3.1: Front view of the TOTO Arvina LT415G Vessel Bathroom Sink. This image shows the rectangular shape and single faucet hole.

4. Setup and Installation

The TOTO Arvina LT415G is designed for vessel installation. An installation template is included to assist with proper placement and drilling. Drain and faucet components are sold separately and must be acquired prior to installation.

4.1 Pre-Installation Checklist

- Verify all package contents are present and undamaged.
- Ensure you have the correct faucet and drain assembly for a single-hole vessel sink.
- Confirm countertop material is suitable for vessel sink installation.
- Gather necessary tools: drill, sealant, wrenches, measuring tape, level, safety glasses.

4.2 Installation Steps

1. **Prepare Countertop:** Use the provided installation template to mark the faucet hole and drain opening on your countertop. Carefully drill the necessary holes according to the template.

2. **Position Sink:** Place the vessel sink on the countertop, aligning it with the drilled holes. Ensure the sink is level.
3. **Install Faucet:** Follow the manufacturer's instructions to install your chosen single-hole faucet into the designated opening on the sink. Secure all connections.
4. **Install Drain:** Install the drain assembly (sold separately) into the sink's drain opening. Apply plumber's putty or sealant as recommended by the drain manufacturer to ensure a watertight seal.
5. **Connect Water Lines:** Connect the hot and cold water supply lines to the faucet. Ensure all connections are tight and free of leaks.
6. **Connect Drain to P-Trap:** Connect the sink drain to the P-trap and then to the wall drain pipe.
7. **Test for Leaks:** Turn on the main water supply slowly and check all connections for any leaks. Run water through the faucet and drain to ensure proper function.

Note: For detailed diagrams and specific measurements, refer to the installation template included with your sink.

5. Operating Instructions

The TOTO Arvina vessel sink operates like any standard bathroom sink. Simply use your installed faucet to control water flow and temperature. The front overflow feature helps prevent accidental spills if the sink is overfilled.

- **Water Flow:** Turn the faucet handle(s) to initiate water flow.
- **Temperature Control:** Adjust the faucet handle(s) to achieve desired water temperature.
- **Drainage:** The sink's drain allows water to exit. Ensure the drain stopper (if applicable to your chosen drain) is functioning correctly.

6. Maintenance

Proper maintenance will ensure the longevity and pristine appearance of your TOTO Arvina sink, especially its CEFIONTECT glaze.

6.1 Cleaning the Sink

- For daily cleaning, simply **wipe with a dry cloth** after each use to prevent water spots and mineral buildup.
- For more thorough cleaning, use a soft cloth or sponge with a mild, non-abrasive cleaner.
- The **CEFIONTECT glaze** is designed to minimize waste from adhering to the ceramic surface. Avoid using abrasive pads, harsh chemicals, or acidic cleaners, as these can damage the glaze and reduce its effectiveness.
- Rinse the sink thoroughly with clean water after cleaning and dry with a soft cloth.

6.2 Drain Maintenance

- Periodically remove and clean the drain stopper to prevent hair and debris buildup.
- If drainage slows, use a non-corrosive drain cleaner or a plumbing snake to clear blockages.

7. Troubleshooting

This section addresses common issues you might encounter with your vessel sink. For problems not listed here, please contact customer support.

Problem	Possible Cause	Solution
Slow Drainage	Hair or debris blockage in drain.	Remove drain stopper and clear any visible obstructions. Use a plumbing snake or a non-corrosive drain cleaner.

Problem	Possible Cause	Solution
Leaking around Drain	Improperly sealed drain assembly.	Tighten drain nut. If leak persists, disassemble, reapply plumber's putty or sealant, and reassemble.
Leaking from Faucet Base	Loose faucet mounting nut or worn O-rings.	Tighten faucet mounting nut from underneath the sink. If O-rings are worn, consult your faucet's manual for replacement.
Water Spots/Stains	Hard water deposits or improper drying.	Wipe the sink dry after each use. For existing spots, use a mild vinegar solution (diluted) and a soft cloth, then rinse thoroughly.

8. Specifications

Brand	TOTO
Model Number	LT415G
Color	Cotton White
Material	Vitreous China
Installation Type	Vessel
Shape	Rectangular
Product Dimensions (D x W x H)	14.94" x 19.69" x 2.75"
