# DOONA 360 Protection Accessory Instruction Manual

Model: 4897055663146

## 1. INTRODUCTION

The DOONA 360 Protection accessory is designed to provide comprehensive protection for your child when using the Doona Car Seat & Stroller. This accessory shields your baby from direct sunlight, harmful UV rays (UPF 50+), and insects, ensuring comfort and safety during outdoor activities.

## 2. SAFETY INFORMATION

- Always ensure the accessory is securely attached to the Doona Car Seat & Stroller as per the instructions.
- Do not leave your child unattended with the accessory installed.
- Regularly inspect the accessory for any signs of wear or damage. Discontinue use if damaged.
- Ensure adequate airflow to prevent overheating, especially in warm weather. The mesh design aids in ventilation.

## 3. PACKAGE CONTENTS

Verify that all items are present in the package:

- DOONA 360 Protection accessory
- Compact carry bag

## 4. SETUP AND INSTALLATION

Follow these steps to properly install the DOONA 360 Protection accessory on your Doona Car Seat & Stroller:

1. **Prepare the Doona:** Ensure your Doona Car Seat & Stroller is in the stroller configuration.
2. **Attach to Handlebar:** Position the top edge of the 360 Protection accessory over the Doona's handlebar. Secure the clips or straps provided on the accessory to the handlebar.

3. **Secure Side Connectors:** Locate the snap-on connectors on the sides of the accessory. Align these with the corresponding attachment points on the Doona frame and snap them into place.
4. **Adjust Lower Edge:** Gently pull the lower edge of the accessory down to fully cover the car seat and stroller frame, ensuring the mesh insect protection is extended.
5. **Final Check:** Verify that the accessory is taut and securely fastened at all attachment points to prevent it from shifting or detaching.

## 5. OPERATING INSTRUCTIONS

The DOONA 360 Protection accessory offers convenient features for daily use:

- **Accessing Your Baby:** The accessory features two zippers that allow quick and easy access to your baby without needing to remove the entire cover. Simply unzip to check on or attend to your child.
- **Sun Protection:** The fabric provides enhanced UV protection (UPF 50+) to shield your baby from direct sunlight.
- **Insect Protection:** The integrated mesh material acts as a barrier against bugs and insects while maintaining airflow.

## 6. MAINTENANCE

To ensure the longevity and cleanliness of your DOONA 360 Protection accessory:

- **Cleaning:** The fabric is easy to clean. Wipe with a damp cloth and mild soap. Do not use harsh detergents or abrasive cleaners.
- **Drying:** Air dry thoroughly before storing. Do not tumble dry.
- **Storage:** When not in use, fold the accessory compactly and store it in the included carry bag in a cool, dry place away from direct sunlight.

## 7. TROUBLESHOOTING

If you encounter any issues with your DOONA 360 Protection accessory, consider the following:

- **Accessory not fitting correctly:** Ensure the Doona Car Seat & Stroller is in the correct configuration (stroller mode) and that all snap-on connectors are properly aligned and secured.
- **Zippers sticking:** Apply a small amount of zipper lubricant or rub a pencil lead along the zipper teeth to ease movement.

- **Reduced airflow:** While the mesh is designed for airflow, ensure no obstructions are blocking the mesh areas.

## 8. SPECIFICATIONS

Feature	Detail
Product Dimensions	33.8 x 0.1 x 22 inches
Item Model Number	4897055663146
Material Type	Nylon, Polyester
