# Sauder HomePlus 423007 Armoire Wardrobe Closet Instruction Manual

Model: 423007 | Finish: Salt Oak

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Sauder HomePlus Armoire Wardrobe Closet. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This armoire is designed to provide versatile storage for clothing and miscellaneous items, featuring adjustable shelving, a garment rod, and a lower storage drawer.

*This image displays the fully assembled Sauder HomePlus Armoire Wardrobe Closet, featuring its two main doors and a lower drawer, all in a Salt Oak finish.*

## SETUP AND ASSEMBLY

Assembly of the Sauder HomePlus Armoire requires careful attention to detail. It is highly recommended that **two people** participate in the assembly process due to the size and weight of the components. Ensure you have ample space and a soft, clean surface to prevent scratching.

### Important Safety Information:

- Ensure proper assembly and leveling of the unit.
- Be cautious of pinch points when opening and closing drawers and doors.
- Securely install the garment rod to support the weight of clothes.
- Do not attempt to stand the unit upright before the back panel is fully secured, as this may cause

instability and collapse.

- Follow all provided instructions for safe use and maintenance.

## Included Components:

The product comes with all necessary hardware and materials for assembly. Please verify all parts are present before beginning. Refer to the detailed assembly instructions included in the packaging for a complete list and step-by-step guide.

## Assembly Tips:

- Lay out all components and hardware in an organized manner.
- Use a screwdriver or drill with appropriate bits, but avoid over-tightening screws to prevent damage to the engineered wood.
- Utilize the adjustable base levelers to ensure the armoire is stable and level on uneven surfaces.

*This diagram illustrates the overall dimensions of the armoire, including height, width, and depth, as well as internal measurements for the storage area behind the doors and the lower drawer.*

## OPERATING INSTRUCTIONS

---

The Sauder HomePlus Armoire is designed for efficient and organized storage.

### Door Operation:

The two large, framed panel doors open to reveal the main storage compartment. Gently pull the handles to open and push to close. Ensure doors are fully closed to protect contents from dust.

### Adjustable Shelving:

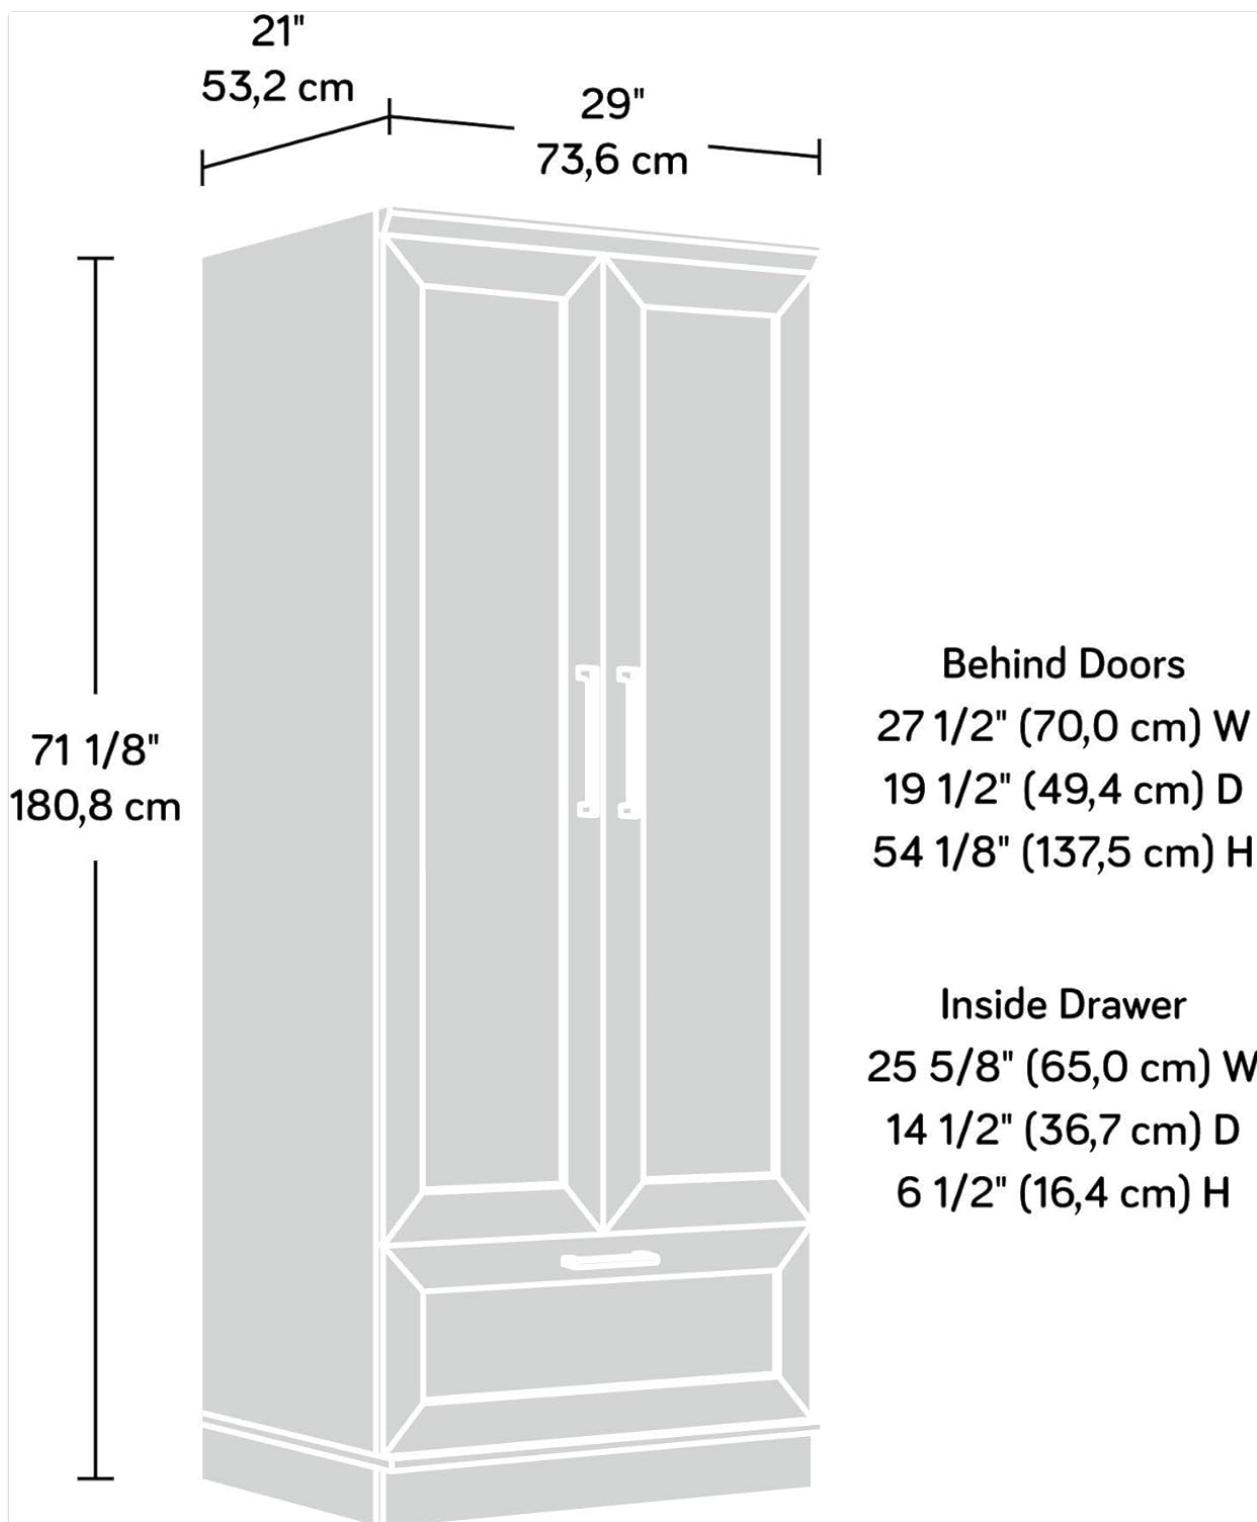

The main compartment includes three spacious shelves, with one being adjustable. To adjust a shelf, carefully remove it from its current position and re-insert the shelf pins into the desired holes along the side panels. Ensure all four pins are securely in place before placing items on the shelf.

### Garment Rod:

A sturdy garment rod is provided for hanging clothes. Ensure the rod is properly seated in its supports before hanging garments. Distribute weight evenly to prevent strain on the rod and supports.

### Storage Drawer:

The lower drawer operates on smooth metal runners. Pull the handle to open and push to close. Avoid forcing the drawer, and ensure it is properly aligned on its runners for smooth operation.

*This image shows the armoire with both doors open, highlighting the internal storage configuration. It features three spacious shelves, one of which is adjustable, and a garment rod for hanging clothes. The lower drawer is also visible.*

*A detailed view of the interior, focusing on the adjustable shelf and the sturdy garment rod, demonstrating the flexibility for organizing various items.*

*This image provides a close-up of the lower drawer, pulled open to reveal its interior, suitable for storing miscellaneous items.*

## MAINTENANCE

---

To ensure the longevity and appearance of your Sauder HomePlus Armoire, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary, but do not over-tighten.
- **Leveling:** Re-check the adjustable base levelers occasionally to ensure the unit remains stable and level.

## TROUBLESHOOTING

---

If you encounter any issues with your armoire, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Difficulty during assembly	Incorrect step, missing hardware, or single-person assembly.	Review the assembly instructions carefully. Ensure all hardware is present. Enlist a second person for assistance. Contact customer support if parts are missing or damaged.
Doors do not align or close properly	Hinges not adjusted correctly or unit is not level.	Adjust the screws on the hinges as per the assembly instructions to align the doors. Use the adjustable base levelers to ensure the unit is stable and level.
Drawer does not slide smoothly	Drawer runners not installed correctly or debris in the runners.	Ensure the drawer and its runners are assembled according to instructions. Check for any obstructions or debris in the drawer slides.
Unit feels unstable or wobbly	Unit is not level or fasteners are loose.	Adjust the base levelers until the unit is stable. Check and tighten all assembly fasteners.

## SPECIFICATIONS

Feature	Detail
Brand	Sauder
Model Number	423007
Color	Salt Oak
Product Dimensions (D x W x H)	20.94"D x 28.98"W x 71.18"H
