Keter Jaipur Rattan Outdoor Sunlounger Instruction Manual

Model: 235162

1. INTRODUCTION

Thank you for choosing the Keter Jaipur Rattan Outdoor Sunlounger. This manual provides essential information for the safe assembly, operation, and maintenance of your new sunlounger. Please read these instructions carefully before use and retain them for future reference.

The Keter Jaipur Sunlounger is designed for outdoor relaxation, featuring a durable, weather-resistant resin construction with a stylish rattan texture. It offers an adjustable backrest and a foldable design for convenient storage.

2. SAFETY INSTRUCTIONS

- Ensure all components are securely assembled before use.
- Do not exceed the maximum weight capacity of the sunlounger.
- Keep children and pets away from the sunlounger during assembly.
- Avoid placing the sunlounger on uneven surfaces to prevent tipping.
- Do not stand on the sunlounger.
- Regularly inspect the sunlounger for any signs of damage or wear. Discontinue use if damage is found.
- Use caution when adjusting the backrest to avoid pinching fingers.

3. PACKAGE CONTENTS

Please verify that all parts are present before beginning assembly. While specific component names are not provided, the sunlounger typically includes:

- Main sunlounger frame sections
- Legs
- Adjustable backrest mechanism components

- Fasteners (screws, bolts, etc.)

Figure 3.1: Underside view of the Keter Jaipur Sunlounger showing structural components.

4. SETUP AND ASSEMBLY

The Keter Jaipur Sunlounger is designed for easy assembly, requiring only basic household tools. Follow these general steps:

1. Unpack all components and lay them out on a clean, flat surface.
2. Identify the main frame sections and the legs.
3. Attach the legs to the designated points on the sunlounger frame, ensuring they are securely fastened.
4. Assemble the adjustable backrest mechanism according to the visual guides provided with your product. Ensure all moving parts are correctly aligned and secured.
5. Once assembled, gently test the stability of the sunlounger before full use.

5. OPERATING INSTRUCTIONS

5.1 Adjusting the Backrest

The Jaipur Sunlounger features an adjustable backrest with four reclining positions for optimal comfort. To adjust the backrest:

1. Gently lift the backrest to disengage it from its current position.
2. Move the backrest to the desired angle (9°, 30°, 50°, or 70°).
3. Ensure the backrest mechanism securely locks into place at the chosen position before applying weight.

Figure 5.1: The adjustable backrest offers four reclining positions.

5.2 Folding for Storage

The sunlounger's foldable design allows for minimal storage space during colder months or when not in use.

1. Ensure the backrest is in its lowest, flat position.
2. Follow the product-specific folding mechanism to collapse the sunlounger. This typically involves releasing latches or folding hinges.
3. Once folded, the sunlounger can be stored upright or flat.

Figure 5.2: The sunlounger can be folded flat or upright for space-saving storage.

6. MAINTENANCE

To ensure the longevity and appearance of your Keter Jaipur Sunlounger, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals, as these can damage the resin material.
- **Storage:** During prolonged periods of non-use, especially in harsh weather conditions, it is recommended to fold and store the sunlounger indoors or under a protective cover.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Tighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your sunlounger, consider the following common solutions:

- **Instability:** Ensure all legs are properly attached and all fasteners are tightened. Verify the sunlounger is on a flat, level surface.
- **Backrest not adjusting smoothly:** Check for any obstructions in the adjustment mechanism. Ensure the mechanism is clean and free of debris.
- **Difficulty folding:** Ensure the backrest is fully lowered. Check for any components that might be misaligned or obstructed.

For issues not resolved by these steps, please contact Keter customer support.

8. SPECIFICATIONS

Feature	Specification
Brand	Keter
Model Number	235162
Colour	Graphite
Product Dimensions (L x W x H)	187 cm x 58 cm x 29 cm
Material	Resin Plastic
Item Weight	8.8 kg
Special Feature	Space Saving, Adjustable Backrest
Back Style	Solid Back
Frame Material	Polypropylene, Rattan
Product Care Instructions	Wipe Clean
