

## Ruvati RVH8222

# Ruvati 33-inch Undermount Workstation Kitchen Sink Instruction Manual

Model: RVH8222

Brand: Ruvati

## INTRODUCTION

This instruction manual provides detailed information for the installation, operation, maintenance, and troubleshooting of your Ruvati 33-inch Undermount Workstation Kitchen Sink (Model RVH8222). Designed with a patented dual-tier ledge system and 16-gauge stainless steel, this sink offers enhanced functionality and durability for your kitchen. Please read this manual thoroughly before installation and use to ensure proper function and longevity of your product.

Image: The Ruvati 33-inch Undermount Workstation Kitchen Sink, showcasing its spacious single bowl and the integrated dual-tier ledges, equipped with a wooden cutting board and a roll-up drying rack.

## SAFETY INFORMATION

Always exercise caution when handling and installing the sink. Stainless steel edges can be sharp. It is recommended to wear appropriate safety gear, such as gloves and eye protection, during installation. Ensure all plumbing connections are secure to

prevent leaks. If you are unsure about any installation steps, consult a qualified professional.

- Always wear safety gloves and eye protection during installation.
- Ensure the sink is properly supported before and during installation.
- Do not use abrasive cleaners or harsh chemicals on the sink surface.
- Keep small children away from the installation area.

## PACKAGE CONTENTS

---

Upon unpacking, please verify that all components listed below are present and undamaged. If any items are missing or damaged, contact Ruvati customer support immediately.

- Sink (RVH8222)
- Reversible Cutting Board/Tray
- Wood Platform with Mixing Bowl and Colander Attachments
- 3-Bowl Condiment Tray
- Foldable Stainless Steel Drying Rack
- Bottom Rinse Grid
- Basket Strainer Drain Assembly
- Decorative Drain Cover
- Cutout Templates
- Mounting Clips

Image: A comprehensive view of all accessories included with the Ruvati RVH8222 sink, including the cutting board, drying rack, mixing bowl, colander, condiment tray, bottom grid, and drain assembly.

## SPECIFICATIONS

Feature	Detail
Model Number	RVH8222
Material	Premium T-304 Grade (18/10 Chromium/Nickel) Stainless Steel
Gauge	16 Gauge
Finish	Commercial-Grade Brushed Finish
Installation Type	Undermount

Exterior Dimensions	33-1/2" (wide) x 19" (front-to-back)
Interior Bowl Dimensions	31-7/8" (wide) x 14-5/8" (front-to-back)
Bowl Depth	10"
Minimum Base Cabinet	36"
Drain Type	Grid (Basket Strainer included)
Certifications	cUPC compliant and approved by IAPMO

## RVH8222

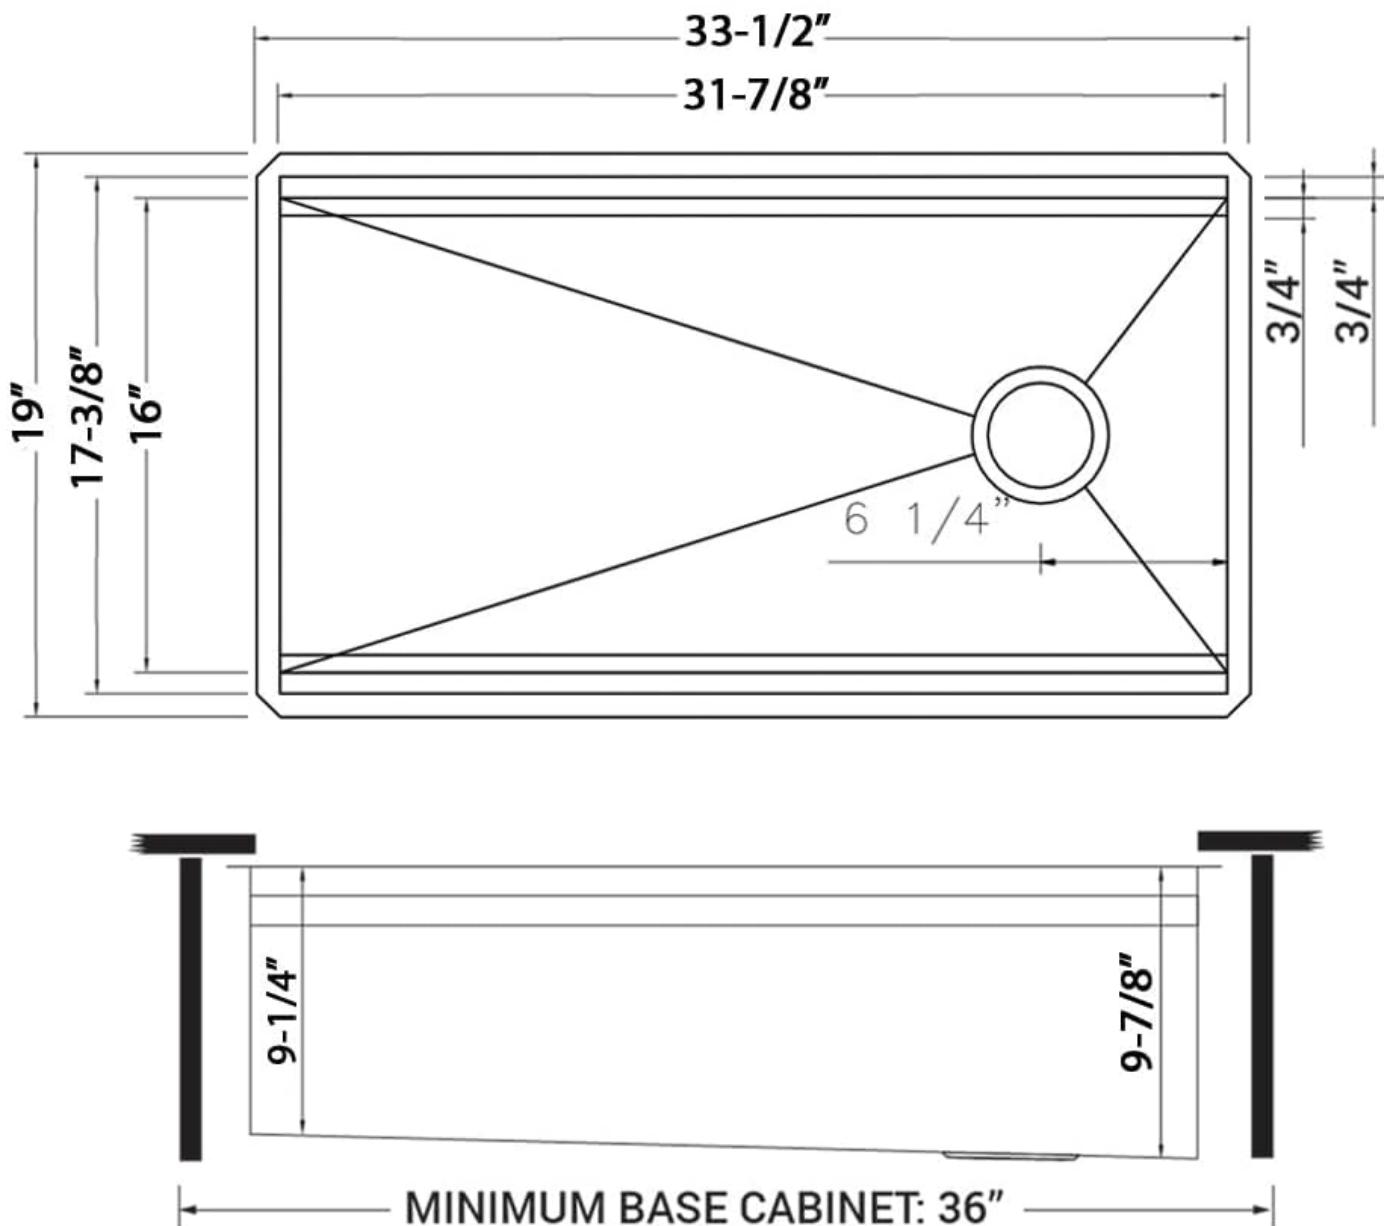

Image: Technical drawing illustrating the precise dimensions of the Ruvati RVH8222 sink, including exterior, interior, and bowl depth measurements, along with the minimum base cabinet requirement.

## SETUP AND INSTALLATION

The Ruvati RVH8222 sink is designed for undermount installation. Professional installation is recommended to ensure proper fit and function.

## Pre-Installation Checklist:

- Verify all package contents are present and undamaged.
- Ensure your base cabinet meets the minimum 36-inch requirement.
- Have necessary tools ready (e.g., sealant, drill, clamps, safety gear).
- Review local plumbing codes and regulations.

## Installation Steps:

1. **Prepare Countertop:** Use the provided cutout template to accurately mark and cut the opening in your countertop. Ensure the edges are smooth and clean.
2. **Position Sink:** Apply a continuous bead of silicone sealant around the rim of the sink. Carefully lift and position the sink underneath the countertop opening, aligning it precisely.
3. **Secure with Clips:** Attach the mounting clips to the underside of the countertop and tighten them evenly to secure the sink in place. Wipe away any excess sealant.
4. **Connect Plumbing:** Install the basket strainer drain assembly into the sink's drain opening. Connect the P-trap and other plumbing components according to standard plumbing practices. The offset drain design allows for extra under-cabinet space.
5. **Water Test:** Once all connections are made, slowly turn on the water supply and check for any leaks around the drain and plumbing connections.

Image: A visual representation of the sink's dimensions and the required minimum base cabinet size for proper undermount installation.

## OPERATION AND USE

The Ruvati workstation sink features a patented dual-tier ledge system, allowing for versatile use of its included accessories. The innovative slope-bottom design ensures efficient drainage.

### Using the Dual-Tier Ledge System:

The sink has two levels of tracks on the front and back. Accessories can slide along these tracks, providing a flexible workspace directly over the sink.

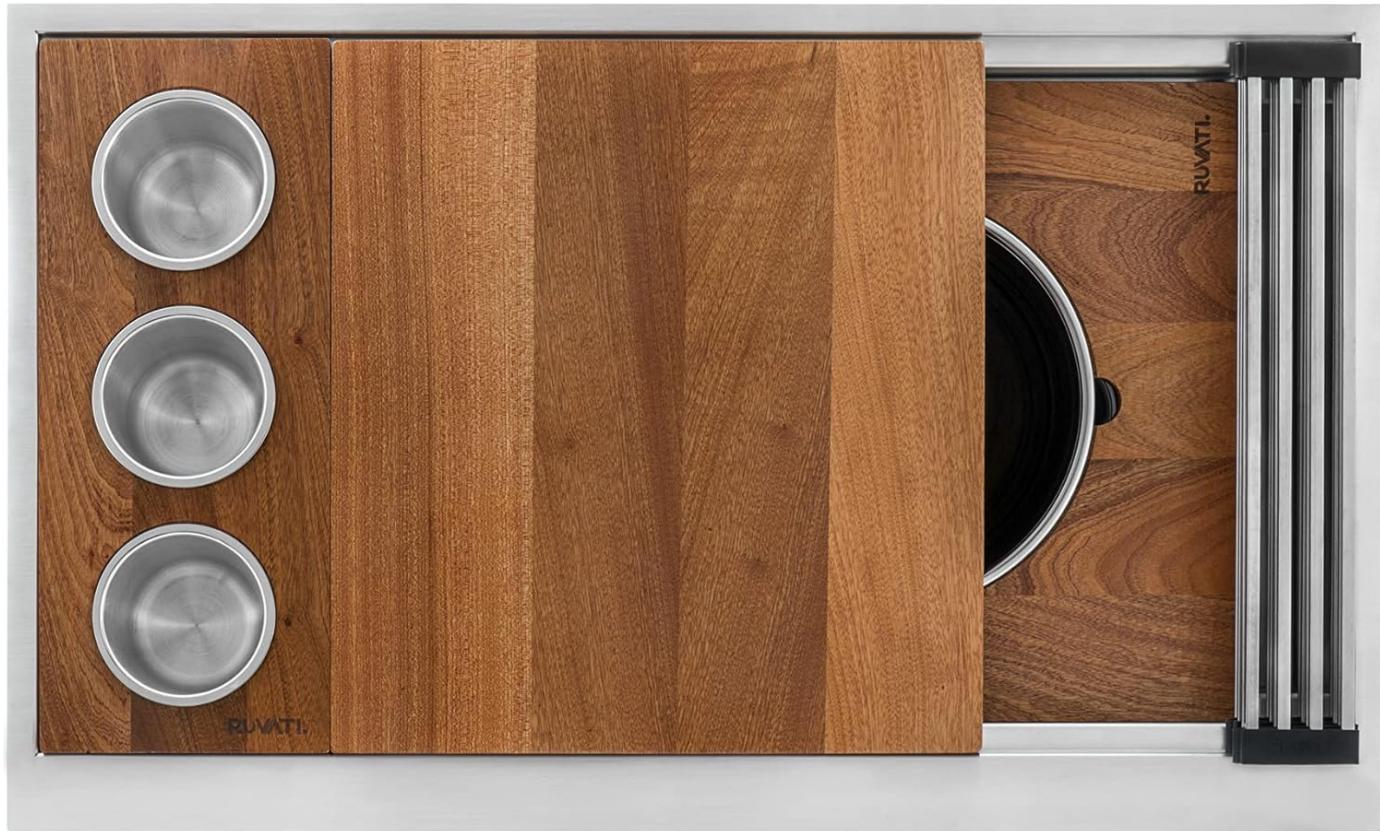

Image: An overhead view demonstrating the functionality of the dual-tier ledge system, with a wooden cutting board and a three-bowl condiment tray positioned on the ledges, maximizing workspace.

### Included Accessories and Their Use:

- **Reversible Cutting Board/Tray:** This solid hardwood cutting board can be used on both the upper and lower tiers. One side is flat for general cutting, and the other has raised edges to contain liquids.
- **Wood Platform with Mixing Bowl and Colander:** This versatile platform fits on both tiers. The stainless steel mixing bowl and colander attachments can be inserted into the platform, ideal for washing produce or preparing ingredients.
- **3-Bowl Condiment Tray:** Designed to slide on the upper tier, this tray is perfect for serving condiments, preparing small ingredients, or holding utensils.
- **Foldable Drying Rack:** Made of stainless steel bars and a flexible silicone frame, this rack can be unrolled over the sink for air-drying dishes, fruits, or vegetables. It can be easily rolled up for storage.
- **Bottom Rinse Grid:** Place this stainless steel grid at the bottom of the sink to protect the surface from scratches and impacts, while allowing water to drain freely.

Image: Two individuals utilizing the Ruvati workstation sink, demonstrating how the various accessories like cutting boards and drying racks integrate seamlessly to create an efficient food preparation and cleanup area.

## Slope-Bottom Design:

The sink's bottom is engineered with a 1-inch slope towards the drain. This design facilitates efficient water runoff and directs food debris towards the drain, minimizing standing water and making cleanup easier.

## CARE AND MAINTENANCE

Proper care will preserve the beauty and functionality of your Ruvati stainless steel sink for years to come.

### Daily Cleaning:

- After each use, rinse the sink thoroughly with warm water to remove any food particles or residue.
- Wipe the sink dry with a soft, clean cloth to prevent water spots and mineral buildup, especially in hard water areas.
- For general cleaning, use a mild dish soap and a soft sponge or cloth.

### Deep Cleaning and Stain Removal:

- For stubborn stains, use a non-abrasive stainless steel cleaner or a paste made of baking soda and water. Apply with a soft cloth and rub in the direction of the grain.
- Rinse thoroughly and dry.
- Avoid using steel wool, abrasive pads, or harsh chemical cleaners (e.g., bleach, drain cleaners containing chlorides) as they can damage the finish and cause corrosion.

### Care for Accessories:

- **Wood Cutting Board/Platform:** Hand wash with mild soap and water. Do not soak or put in a dishwasher. Periodically apply food-grade mineral oil to maintain the wood's condition and prevent drying/cracking.

- **Stainless Steel Accessories (Grid, Bowls, Colander, Drying Rack):** These can be washed with dish soap and water. Ensure they are dried completely to prevent water spots.

Image: A detailed view of the commercial-grade brushed finish of the Ruvati sink, highlighting its texture which helps hide scratches and is easy to clean.

## TROUBLESHOOTING

This section addresses common issues you might encounter with your Ruvati sink.

Problem	Possible Cause	Solution
Water spots or mineral buildup	Hard water residue; not drying sink after use.	Wipe sink dry after each use. For existing spots, use a vinegar solution (1 part vinegar to 3 parts water) or a stainless steel cleaner, then rinse and dry.
Scratches on sink surface	Abrasive materials or sharp objects.	The brushed finish is designed to hide minor scratches. For deeper scratches, specialized stainless steel scratch removal kits may be used (follow product instructions carefully). Always use the bottom rinse grid to protect the sink.
Slow drainage	Drain clogged with food debris.	Remove the basket strainer and clear any debris. Use a plunger or a non-corrosive drain cleaner if necessary. Avoid pouring grease down the drain.
Sink appears dull or discolored	Residue from cleaners, food, or lack of regular cleaning.	Clean thoroughly with a mild soap and water, then dry. For a brighter finish, use a stainless steel polish. Ensure no harsh chemicals are used.

## WARRANTY INFORMATION

Ruvati products are manufactured under the highest standards of quality and workmanship. This Ruvati sink is covered by a **Limited Lifetime Warranty**. This warranty covers defects in material and workmanship under normal use and service for the lifetime of the original purchaser. For full details regarding warranty coverage, limitations, and how to make a claim, please refer to the official Ruvati warranty documentation or visit the Ruvati website.

## CUSTOMER SUPPORT

Should you have any questions, require technical assistance, or need to report a missing or damaged part, please contact Ruvati customer support. You can find contact information and additional resources by visiting the official Ruvati website or their brand store on Amazon.

**Ruvati Official Website:** [www.ruvati.com](http://www.ruvati.com)

PLATFORM FOR MIXING BOWL

**RUVTI**  
SPECIFICATION SHEET

Material: Hardwood - Solid Sapele (African Mahogany)  
Size: 17-1/8" (length) x 15-3/4" (width) x 7/8" (thick)

Compatible Ruvati Sinks: RVH8003, RVH8023, RVH8030, RVH8035, RVH8222, RVH8300, RVH8301, RVH8309, RVH8310, RVH8333, RVH8345, RVH8350, RVH8351, RVH8555, RVH9050, RVH9100, RVH9200, RVH9201, RVH9300, RVH9301, RVH9333

**Care Instructions:**  
Like any natural wood product, this cutting board needs proper care and handling. Improper use can result in the board warping or cracking, and is not covered by any warranty. Please follow the instructions below:

### DOs

- Wipe off with damp towel, or wash gently with dish soap after use and rinse well with water. Dry immediately. Do not leave wet or soak in water. Let dry by standing vertically on one edge.
- Always store dry cutting board either vertically, or setting on the ledges of the Ruvati workstation sink.
- Rub both sides with food-grade mineral oil or vegetable oil once a month.

### DON'Ts

- Don't use bleach or any other harsh cleaning agent.
- Don't leave it sitting on wet countertop.
- Don't put in dishwasher.
- Don't leave it soaked in water.
- Don't expose to surfaces or direct sunlight.

**Care Instructions:**  
 Use any natural wood product, this cutting board needs proper care and handling. Improper use can result in the board warping or cracking, and is not covered by warranty. Please follow the instructions below:

**DOs**

- Wipe off with damp towel, or wash gently with dish soap after use and rinse well with water. Dry immediately. Do not leave or soak in water. Let dry by standing vertically on one edge.
- Always store dry cutting board either vertically, or sitting on the ledges of the Ruvati workstation sink.
- Rub both sides with food-grade mineral oil or vegetable oil once a month.

**DON'Ts**

- Don't use bleach or any other harsh cleaning agent.
- Don't leave it sitting on wet countertop.
- Don't put in dishwasher.
- Don't leave it soaked in water.
- Don't expose to hot surfaces or direct sunlight.

**RVA1255**  MIXING BOWL AND COLLANDER SET WITH LID AND GRATER ATTACHMENTS

**Material:** T-304 Stainless Steel  
**Size:** 5 Qt  
**Optional Add-On Platform for Use With Ruvati Workstation Sinks:** RVA1244 (sold separately)  
**Compatible Ruvati Sinks:** RVH8222, RVH8333, RVH8555

**Before Your First Use:**  
 Hand wash all parts of the mixing bowl set in warm water with a mild dishwashing soap using a soft sponge or nylon pad. Rinse and dry thoroughly.

**Care Instructions:**  
 Mixing Bowl and Colander are dishwasher safe. However, hand washing is recommended to maintain the original luster and shine. To prevent discoloration of the silicone base To clean, simply use warm water & a mild dishwashing soap and a soft sponge or nylon pad.

The lid and grater attachments are NOT dishwasher safe. Handwash only.

DO NOT soak Mixing Bowl, Colander, Lid or Grater Attachments for a long period of time. The chlorine, lime and mineral content of your water, especially iron can cause discoloration.

DO NOT use bleach or any other harsh cleaning agents.

**Warnings:**  
 The mixing bowl will get extremely hot in the oven. **ALWAYS** exercise extreme caution when handling and use a potholder or oven mitt.

Grater attachments are SHARP. Use caution when using, and keep away from children.

 **RUVATI USA** [www.ruvati.com](http://www.ruvati.com)

**CARE AND MAINTENANCE**  
 Ruvati Mixing Bowls and Colanders are made of 18/8 stainless steel. They are dishwasher safe, however, hand washing is recommended to maintain the original luster and shine. To prevent discoloration of the silicone base To clean, simply use warm water & a mild dishwashing soap and a soft sponge or nylon pad.

The lid and grater attachments are NOT dishwasher safe. Handwash only.

DO NOT soak Mixing Bowl, Colander, Lid or Grater Attachments for a long period of time. The chlorine, lime and mineral content of your water, especially iron can cause discoloration.

DO NOT use bleach or any other harsh cleaning agents.

**RUVER LIMITED LIFETIME WARRANTY**  
 Ruvati warrants to the original consumer purchaser that its products are free from defects in material and workmanship for a lifetime. This warranty is limited to the original consumer purchaser and is not transferable. Ruvati's obligation under this warranty is limited to repair or replacement of the product at Ruvati's discretion.

**RVA1217BLK**  HDPE CUTTING BOARD

**Material:** Food-safe High Density Polyethylene (HDPE)  
**Size:** 17-1/4" (length) x 11" (width) x 3/8" (thick)

**Compatible Ruvati Sinks:** RVH8002, RVH8003, RVH8023, RVH8030, RVH8300, RVH8301, RVH8307, RVH8208, RVH8209, RVH8210, RVH8341, RVH8345, RVH8350, RVH8351, RVH8356, RVH8359, RVH8570, RVH8582, RVH8591, RVH8596, RVH9020, RVH9050, RVH9100, RVH9200, RVH9201, RVH9300, RVH9301, RVH8222, RVH8255, RVH8277, RVH8299, RVH8333, RVH8555, RVH9222, RVH9333

**CARE INSTRUCTIONS**

- Cleaning:** Hand wash the plastic cutting board with soap and hot water or run it through the dishwasher.
- Disinfecting:** You can disinfect the board by soaking it for 2 minutes in a solution of two teaspoons of bleach and one gallon of water.
- Deodorize:** Wet the board and sprinkle it with baking soda. Let it stand for a few minutes then rinse it in water.
- Scratches:** It is normal for plastic cutting boards to take knife marks. The scratches will be noticeable when the board is new. Over time, they will blend in.
- Heat:** Do not expose the cutting board to hot surfaces, or put in an oven or microwave. It can cause the board to melt.

**RUUVATI USA** [www.ruvati.com](http://www.ruvati.com)

**RVA1233BWC**  SOLID COMPO SITE CUTTING BOARD

LEDGEFIT CUTTING BOARD

**Care Instructions:**  
Like any natural wood product, this cutting board needs proper care and handling. Improper use can result in the board warping or cracking, and is not covered by any warranty. Please follow the instructions below:

**DOs**

- Wipe off with Damp towel, or wash gently with dish soap after use and rinse well with water. Dry immediately. Do not leave a wet board in water. Let dry by standing vertically on one edge.
- Always store dry cutting board either vertically, or sitting on the ledges of the Revati workstation sink.
- Rub both sides with food-grade mineral oil or vegetable oil once a month.

**DON**

- Don't use bleach or any other harsh cleaning agent.
- Don't leave it sitting on wet countertop.
- Don't put in dishwasher.
- Don't leave it soaked in water.
- Don't expose to hot surfaces or direct sunlight.

MIXING BOWL AND COLLANDER SET  
WITH LID AND GRATER ATTACHMENTS

**RUVTI**  
SPECIFICATION SHEET

Material: T-304 Stainless Steel  
Size: 5 Qt  
Optional Add-On Platform for Use With Ruvati Workstation Sinks: RVA1244 (sold separately)  
Compatible Ruvati Sinks: RVH8222, RVH8333, RVH8555

**Before Your First Use:**  
Hand wash all parts of the mixing bowl set in warm water with a mild dishwashing soap using a soft sponge or nylon pad. Rinse and dry thoroughly.

**Care Instructions:**  
Mixing Bowl and Collander are freezer and refrigerator safe.  
DO NOT use your Mixing Bowl or Colander in the microwave or on your stovetop. Mixing Bowl safe up to 400°F. The plastic lid and grater attachments are NOT oven safe. Do not place lid or grater attachments in the oven or near a direct heat source.  
The mixing bowl will get extremely hot in the oven. ALWAYS exercise extreme caution when handling and use a potholder or oven mitt.

**Cleaning Instructions:**  
Mixing Bowl and Collander are dishwasher safe. However hand washing is recommended to extend the original luster and shine and to prevent discoloration of the silicone base. To clean, simply use warm water, a mild dishwashing soap and a soft sponge or nylon pad.  
The lid and grater attachments are NOT dishwasher safe. Handwash only.  
DO NOT soak Mixing Bowl, Colander, Lid or Grater Attachments in water for a long period of time. The chlorine and mineral content of your water, especially iron, can cause discoloration.  
DO NOT use bleach or any other harsh cleaning agent.

**Warnings:**  
The mixing bowl will get hot if placed in the oven for an extended period of time. Use a potholder or oven mitt AT ALL TIMES.  
Grater attachments are SHARP. Use caution when using, and keep away from children.
