

Walker Edison W52NORGSDW

Walker Edison Saxon Modern Glass Shelf TV Stand

Model: W52NORGSDW

User Instruction Manual

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Walker Edison Saxon Modern Glass Shelf TV Stand. Crafted from high-grade MDF with a tempered safety glass shelf and angled metal legs, this 52-inch TV stand offers a blend of modern design and practical storage. Please read this manual thoroughly before beginning assembly or use to ensure safe and proper operation.

2. SAFETY INFORMATION

Always adhere to the following safety guidelines to prevent injury or damage to the product:

- **Weight Limits:** Do not exceed the maximum weight capacity. The top surface supports up to 150 lbs. and

adjustable wood and tempered safety glass shelves support up to 30 lbs. Overloading can cause the stand to collapse, leading to serious injury or property damage.

- **TV Size:** This stand is designed to support TVs up to 58 inches. Ensure your television's base fits securely on the top surface and its weight does not exceed the stated limit.
- **Assembly:** Assemble the unit on a soft, clean surface to prevent scratches. Ensure all hardware is securely tightened before use. Periodically check and re-tighten all connections.
- **Stability:** Place the TV stand on a level, stable surface. Uneven surfaces can cause the stand to tip.
- **Children Safety:** Keep small parts and packaging materials away from children during assembly. Do not allow children to climb or play on the TV stand. Consider using anti-tip restraints (not included) for added safety, especially in homes with children or pets.
- **Ventilation:** Ensure adequate ventilation around electronic devices placed on or within the stand to prevent overheating.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support immediately.

Component	Description
TV Stand Panels	All engineered wood panels forming the main structure.
Shelves	Includes both engineered wood and tempered safety glass shelves.
Legs	Angled metal legs for support.
Hardware Pack	All necessary screws, bolts, cam locks, dowels, and other fasteners.
Assembly Instructions	Detailed step-by-step assembly guide (this document).

4. SETUP AND ASSEMBLY

Assembly is required for this TV stand. It is recommended that two adults assemble this unit. Estimated assembly time is approximately 60-90 minutes. You will need a Phillips head screwdriver and possibly a hammer (not included).

Preparation:

1. Clear a spacious area for assembly, preferably on a carpeted or soft surface to protect the furniture finish.
2. Unpack all components and lay them out. Identify each part using the provided parts list (refer to Section 3).
3. Gather the necessary tools: Phillips head screwdriver.

Assembly Steps (General Guide):

While specific steps may vary, the general assembly process for this type of furniture includes:

1. **Attach Cam Locks and Dowels:** Insert cam locks and wooden dowels into the designated holes on the main panels.
2. **Assemble Side and Base Panels:** Connect the side panels to the base and top panels using cam bolts and cam locks. Ensure all connections are snug.
3. **Install Shelves:** Insert shelf pins into the desired height holes for adjustable shelves. Carefully place the wood and

tempered glass shelves onto the pins.

4. **Attach Legs:** Securely fasten the angled metal legs to the bottom of the TV stand using the provided screws.
5. **Install Door:** Attach the door hinges to the door and the main frame, then mount the door. Adjust hinges as needed for proper alignment.
6. **Attach Door Handle:** Secure the door handle to the door.
7. **Final Check:** Once assembled, gently lift and move the stand to its desired location. Ensure all connections are tight and the stand is stable.

5. OPERATING INSTRUCTIONS

Your Walker Edison Saxon TV Stand is designed for optimal media organization and display.

- **Placement:** Position the TV stand in your desired location, ensuring it is on a flat, stable surface.
- **TV Placement:** Carefully place your television on the top surface, ensuring it is centered and stable. Verify that the TV's weight does not exceed 150 lbs and its size is within the recommended 58 inches.
- **Storage:** Utilize the open and closed storage cubbies for media devices, books, decor, and other items. The closed cubby provides discreet storage, while the open shelves are ideal for displaying items.
- **Cable Management:** The stand features two cord management ports in the back panel. Route your electronic device cables through these ports to keep them tidy and out of sight, maintaining a clean aesthetic.

6. MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your TV stand.

- **Cleaning:** Wipe the surfaces with a dry cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the engineered wood finish or glass.
- **Spills:** Immediately wipe up any spills with a soft, dry cloth to prevent moisture damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary.

7. TROUBLESHOOTING

If you encounter any issues with your TV stand, refer to the following common solutions:

- **Wobbling/Instability:**
 - Ensure the stand is placed on a completely level surface.
 - Check all assembly hardware (screws, cam locks) and tighten any loose connections.
- **Door Misalignment:**
 - Adjust the hinges on the door to correct alignment. Most hinges allow for minor adjustments using a screwdriver.
- **Missing or Damaged Parts:**

- Do not attempt to assemble the unit with missing or damaged parts. Contact Walker Edison customer support immediately for replacements.
