Armen Living Bellevue Mid-Century Office Chair User Manual

Model: LCBVOFCHWABL | Brand: Armen Living

1. Introduction

The Armen Living Bellevue Mid-Century Office Chair is designed to provide both comfort and style for your home or commercial office space. Featuring a durable chrome finish, elegant walnut veneer, and plush black faux leather upholstery, this chair combines modern aesthetics with practical functionality. It includes a 360-degree swivel function and casters for easy mobility, along with an effortless hydraulic lift mechanism for height adjustment. This manual will guide you through the assembly, operation, and care of your new office chair.

2. Setup and Assembly

Your Armen Living Bellevue Office Chair is designed for quick and easy assembly. Typically, assembly involves attaching the chair's seat and back to the base, requiring only a few bolts. Please ensure all components are present before

beginning. The chair comes mostly assembled, requiring minimal effort to set up for use.

Assembly Steps:

1. Carefully unbox all components and verify against the packing list.
2. Attach the chair's seat and back assembly to the chrome base using the provided hardware. Ensure all bolts are securely tightened.
3. Insert the casters into the base legs until they click into place.
4. Place the assembled chair upright.

3. Operating Instructions

The Bellevue office chair offers several features for enhanced comfort and mobility:

Height Adjustment:

To adjust the seat height, locate the hydraulic lift lever typically found under the right side of the seat. While seated, pull the lever up to lower the chair. To raise the chair, stand up slightly to relieve weight from the seat and pull the lever up. Release the lever at your desired height.

Swivel and Mobility:

The chair features a 360-degree swivel function, allowing for easy rotation without moving the base. The integrated casters provide smooth and effortless movement across various floor surfaces, enhancing your workspace flexibility.

4. Maintenance and Care

To ensure the longevity and appearance of your Armen Living Bellevue Office Chair, follow these simple care instructions:

- **Cleaning:** Spot clean the faux leather upholstery as needed using a soft, damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Wood Care:** For the walnut veneer, wipe with a dry or slightly damp cloth. Avoid prolonged exposure to moisture or direct sunlight.
- **Chrome Care:** Polish chrome parts with a soft, dry cloth to maintain their shine.
- **Regular Checks:** Periodically check and tighten all bolts and connections to ensure stability and safety.

5. Troubleshooting

If you encounter any issues with your chair, please refer to the following common solutions:

- **Chair not adjusting height:** Ensure the hydraulic lift lever is fully engaged and that there is sufficient weight on or off the chair as required for adjustment. If the issue persists, check for any obstructions or contact customer support.
- **Wobbly chair:** Verify that all assembly bolts are securely tightened. Uneven flooring can also cause wobbling; try moving the chair to a different surface.
- **Casters not rolling smoothly:** Check casters for accumulated debris (hair, lint) and clean them. Ensure they are properly inserted into the base.

Important Safety Note: This chair is designed for use by one person with a maximum weight of up to 250 pounds. Always adjust the height carefully to maintain stability.
