

Fenton FT215LED

Fenton FT215LED Portable Speaker Instruction Manual

Model: FT215LED

1. INTRODUCTION

This manual provides essential information for the safe and efficient operation of your Fenton FT215LED Portable Speaker. Please read these instructions thoroughly before using the device and retain them for future reference. The FT215LED is a versatile portable sound system featuring Bluetooth connectivity, USB/SD playback, AUX input, two wireless microphones, and integrated LED lighting, designed for various audio applications.

2. SAFETY INFORMATION

To prevent electric shock, fire, or injury, always observe the following safety precautions:

- Do not expose the unit to rain or moisture.
- Do not open the casing. There are no user-serviceable parts inside. Refer all servicing to qualified personnel.
- Ensure the power supply voltage matches the requirements specified on the unit.
- Keep the unit away from heat sources, direct sunlight, and excessive dust.
- Do not place heavy objects on the unit.
- Use only accessories specified by the manufacturer.
- Disconnect the power cord during lightning storms or when unused for long periods.

3. SETUP

3.1 Unpacking

Carefully remove the speaker and all accessories from the packaging. Verify that all components are present:

- Fenton FT215LED Portable Speaker
- Wireless Microphones (x2)
- Remote Control
- Power Cable

Figure 1: Fenton FT215LED Portable Speaker with included accessories.

3.2 Powering the Unit

The FT215LED speaker features an integrated battery for portable use. Before first use, ensure the battery is fully charged. Connect the provided power cable to the speaker's power input and then to a suitable wall outlet. The charging indicator will illuminate. Once fully charged, the indicator may change color or turn off, depending on the model.

3.3 Initial Connections

Locate the control panel on the rear of the speaker. This panel provides various input options.

Figure 2: Rear control panel of the FT215LED speaker.

- **Microphones:** The speaker comes with two wireless microphones. Ensure batteries are inserted correctly into the microphones. Turn on the microphones using their respective power switches.
- **AUX Input:** For connecting external audio devices (e.g., CD player, laptop) via a 3.5mm or RCA cable.
- **USB/SD Card:** Insert a USB drive or SD card into the designated slots for media playback.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off

Press the main power switch on the control panel to turn the speaker on or off.

4.2 Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth mode. The display will indicate 'BT' or a similar Bluetooth icon.
2. Activate Bluetooth on your mobile device (smartphone, tablet, computer).
3. Search for available devices and select 'Fenton FT215LED' from the list.
4. Once paired, the speaker will emit a confirmation sound, and you can stream audio wirelessly.

Figure 3: Connecting a smartphone via Bluetooth for audio streaming.

4.3 USB/SD Playback

Insert a USB drive or SD card containing MP3 files into the corresponding slot. The speaker will automatically switch to USB/SD mode and begin playback. Use the control panel or remote control to navigate tracks, adjust volume, and pause/play.

4.4 AUX Input

Connect your external audio device to the AUX input using an appropriate cable. Select AUX mode on the speaker's control panel or remote. Audio from your external device will now play through the speaker.

4.5 Microphone Usage

Turn on the wireless microphones. Adjust the microphone volume and echo effect using the dedicated knobs on the speaker's control panel. Ensure the microphones are within range for optimal performance.

BLUETOOTH
CONNECT AND PLAY YOUR FAVOURITE MUSIC

Figure 4: The two wireless microphones included with the FT215LED speaker.

4.6 LED Lighting

The speaker features integrated LED lighting. Use the dedicated button on the control panel or remote control to activate or deactivate the LED effects.

4.7 Remote Control

The included remote control provides convenient access to various functions, including power, mode selection, volume, track navigation, and LED control.

Figure 5: The remote control for the Fenton FT215LED speaker.

5. MAINTENANCE

5.1 Cleaning

Wipe the speaker's exterior with a soft, dry cloth. Do not use abrasive cleaners, waxes, or solvents. Ensure no liquids enter the unit.

5.2 Storage

When not in use for extended periods, store the speaker in a cool, dry place, away from direct sunlight and extreme temperatures. If the unit has an integrated rechargeable battery, charge it periodically (e.g., every 3 months) to maintain battery health.

6. TROUBLESHOOTING

If you encounter issues with your Fenton FT215LED speaker, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No power	Power cable not connected; Battery depleted; Power switch off	Check power cable connection; Charge the battery; Ensure power switch is ON
No sound	Volume too low; Incorrect input mode; Device not connected properly	Increase volume; Select correct input mode (BT, USB, SD, AUX); Reconnect device
Bluetooth not connecting	Speaker not in pairing mode; Device too far; Incorrect device selected	Ensure speaker is in BT mode; Move device closer; Select 'Fenton FT215LED'
Microphone not working	Microphone off; Batteries depleted; Volume too low	Turn on microphone; Replace batteries; Increase microphone volume

7. SPECIFICATIONS

The following are the technical specifications for the Fenton FT215LED Portable Speaker:

- **Model Number:** 170.094
- **Brand:** Fenton
- **Power Output:** 1600W (Peak)
- **Connectivity:** Bluetooth, USB, SD, AUX (3.5mm, RCA)
- **Audio Input:** Microphone, Guitar
- **Frequency Response:** Up to 19000 Hz
- **Special Features:** USB Port, Portable design, Remote Control, LED Lighting
- **Dimensions (L x W x H):** 36 x 47 x 111 cm
- **Weight:** 19.2 Kilograms
- **Material:** Wood
- **Power Source:** Battery Powered
- **Color:** Black

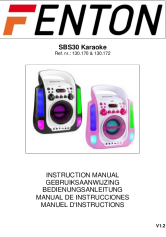

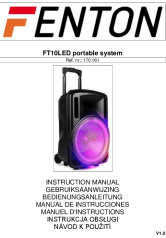

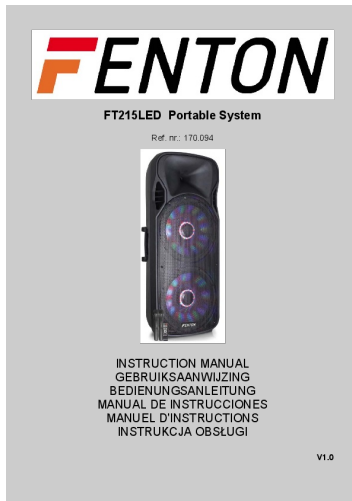

Figure 6: The FT215LED speaker delivers a powerful 1600W sound experience.

8. WARRANTY AND SUPPORT

Specific warranty details are not provided within the product information. For warranty claims or detailed support, please contact the retailer or the manufacturer, Fenton, directly. Information regarding spare parts availability and software updates is not available in the provided product data.
