Graco Recline N' Ride 3 in 1 Car Seat User Manual

Brand: Graco

PRODUCT OVERVIEW

The Graco Recline N' Ride 3-in-1 Car Seat is designed to grow with your child, offering versatile use from infancy through toddlerhood. Its unique "On the Go Recline" feature allows for recline adjustments without uninstalling the seat, providing convenience and comfort. This car seat transitions seamlessly between rear-facing harness, forward-facing harness, and highback booster modes, accommodating children from 5 to 100 lbs.

The Graco Recline N' Ride 3 in 1 Car Seat, shown in Murphy color, designed for infants to toddlers.

IMPORTANT SAFETY INFORMATION

Always read and follow all instructions and warnings provided in the full instruction manual before using this car seat. Proper installation and use are critical for your child's safety. This car seat has been engineered and rigorously crash tested to meet or exceed US safety Standard FMVSS 213, is side impact tested, and tested to extreme car interior temperatures.

For detailed safety guidelines and complete installation instructions, please refer to the official [Installation Manual \(PDF\)](#).

SETUP AND INSTALLATION

Integrated Belt Lock-Offs

The car seat features integrated belt lock-offs in both rear and forward-facing positions, designed to simplify secure vehicle seat belt installation and help ensure a tight fit.

Integrated belt lock-offs in rear and forward-facing positions for easy seat belt installation

The car seat features integrated belt lock-offs in both rear and forward-facing positions, simplifying secure seat belt installation.

InRight LATCH System

Graco's InRight LATCH system provides an easy, one-second attachment with an audible click, confirming a secure installation. This system helps eliminate guesswork during installation.

VERSATILE 3-IN-1 DESIGN

The Graco Recline N' Ride car seat offers three modes of use, providing up to 10 years of use as your child grows:

3 Modes of Use

Rear-Facing Harness
5-40 lb

Forward-Facing Harness
22-65 lb

Highback Booster
40-100 lb

This diagram illustrates the three versatile modes of use for the car seat: Rear-Facing Harness (5-40 lbs), Forward-Facing Harness (22-65 lbs), and Highback Booster (40-100 lbs).

1. Rear-Facing Harness Mode

For infants and toddlers weighing 5-40 lbs. This mode provides optimal safety for younger children.

The car seat in rear-facing harness mode, suitable for infants weighing 5-40 lbs.

2. Forward-Facing Harness Mode

For toddlers and preschoolers weighing 22-65 lbs. This mode offers a secure 5-point harness system.

The car seat in forward-facing harness mode, suitable for children weighing 22-65 lbs.

3. Highback Booster Mode

For older children weighing 40-100 lbs. This mode utilizes the vehicle's seat belt for secure positioning.

The car seat in highback booster mode, designed for children weighing 40-100 lbs.

OPERATING THE CAR SEAT

On the Go Recline

The unique On the Go Recline feature allows you to adjust the car seat's recline position with one hand, without needing to uninstall the seat or disturb your child (in harness mode only). This provides ultimate comfort and convenience during travel.

The car seat offers multiple recline positions, with 4 options for rear-facing and 4 for forward-facing, ensuring optimal comfort and fit.

Simply Safe Adjust Harness System

The Simply Safe Adjust Harness System allows you to adjust the height of both the harness and the 10-position headrest in one smooth motion. This ensures your child is always properly secured and eliminates the need for rethreading the harness as your child grows.

Headrest and harness adjust together using no-rethread **SIMPLY SAFE ADJUST**

The Simply Safe Adjust Harness System allows for simultaneous adjustment of the headrest and harness height, ensuring a proper fit for your growing child without rethreading.

Additional Rear-Facing Legroom

Designed to provide additional legroom for your child when in the rear-facing position, ensuring comfort for longer periods as they grow.

Additional rear-facing legroom as your child grows

The design provides additional rear-facing legroom, accommodating your child comfortably as they grow.

CARE AND MAINTENANCE

To keep your car seat clean, the machine washable RapidRemove cover can be removed in 60 seconds without uninstalling the seat. Refer to the full instruction manual for specific cleaning instructions for fabric, buckles, and harness straps.

TROUBLESHOOTING

If you encounter any issues with your Graco Recline N' Ride car seat, please refer to the comprehensive troubleshooting section in the full instruction manual. Common issues and their solutions are detailed there. If problems persist, contact Graco customer support.
