Kasa Smart HS103P2

Kasa Smart Plug HS103P2

USER MANUAL

Introduction

The Kasa Smart Plug HS103P2 is designed to provide convenient control over your home electronic appliances. This smart plug allows you to turn devices on and off remotely, set schedules, and integrate with voice assistants for a hands-free experience. This manual provides detailed instructions for setting up, operating, maintaining, and troubleshooting your Kasa Smart Plug.

What's in the Box

- 2x Smart Wi-Fi Plug Mini HS103
- Quick Start Guide

Setup

Setting up your Kasa Smart Plug is a straightforward process. Follow these steps to get your device connected and ready for use:

1. **Plug In:** Insert the Kasa Smart Plug into any standard wall outlet. Ensure it is within range of your 2.4GHz Wi-Fi network.
2. **Download the Kasa App:** Download the Kasa Smart app from the App Store (iOS) or Google Play Store (Android) on your smartphone.
3. **Create an Account:** Open the Kasa app and follow the on-screen instructions to create a new Kasa account or log in if you already have one.
4. **Add Device:** In the Kasa app, tap the '+' icon to add a new device. Select 'Smart Plug' and then 'Smart Plug (Wi-Fi)'.
5. **Follow In-App Instructions:** The app will guide you through connecting the smart plug to your home Wi-Fi network. This typically involves connecting your phone to the plug's temporary Wi-Fi network, then selecting your home Wi-Fi network and entering its password.
6. **Name Your Plug:** Once connected, you can give your smart plug a custom name (e.g., 'Living Room Lamp', 'Coffee Maker') for easy identification and voice control.

The Kasa app simplifies the setup process with clear, step-by-step instructions.

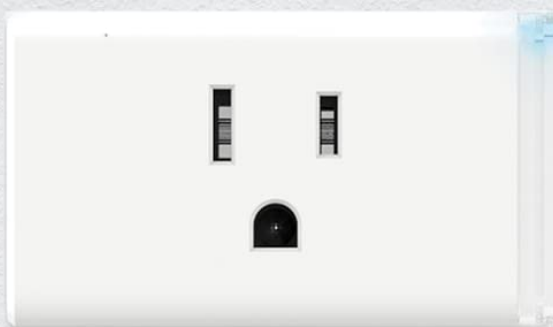

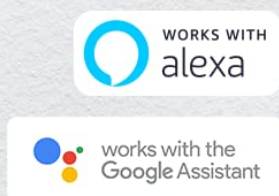

Voice Control

Add voice control to any outlet and use simple voice commands to turn on and off your connected devices.

"Alexa, set the dinner time scene."

"Alexa, goodnight."

"Alexa, turn on the kitchen lights."

The compact design allows two plugs to be stacked in a single wall outlet. It features a manual on/off button and supports voice control.

Operating Your Smart Plug

Once set up, you can control your Kasa Smart Plug using various methods:

1. Voice Control

Integrate your Kasa Smart Plug with Amazon Alexa or Google Assistant for hands-free control. Link your Kasa account within the Alexa or Google Home app, then use simple voice commands:
