3. OPERATING INSTRUCTIONS

Mattress Placement:

- Carefully place your mattress directly onto the wooden slats.
- Some slats may feature anti-slip tape to help keep the mattress securely in place. Peel off the protective film from this tape before placing the mattress.

The frame provides approximately 8.2 inches of clearance from the ground to the bottom of the side rails. This space can

be utilized for convenient underbed storage, helping to keep your bedroom organized.

4. MAINTENANCE

To ensure the longevity and appearance of your ZINUS Moiz Deluxe Wood Platform Bed Frame, follow these simple maintenance guidelines:

- **Cleaning:** Dust the wood surfaces regularly with a dry, soft cloth. Avoid using abrasive cleaners or harsh chemicals, which can damage the natural finish.
- **Inspections:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten any loose fasteners as needed to maintain stability and prevent squeaking.
- **Avoid Excessive Moisture:** Protect the wood from prolonged exposure to moisture or direct sunlight, which can cause warping or fading.

5. TROUBLESHOOTING

While the ZINUS Moiz Deluxe Wood Platform Bed Frame is designed for durability and stability, occasional issues may arise. Here are some common concerns and their solutions:

- **Squeaking Noises:** If you notice any squeaking, it is most commonly due to loose connections. Re-tighten all bolts on the frame, especially those connecting the side rails to the headboard and footboard, and the center support legs. Ensure slats are properly seated.
- **Instability/Wobbling:** This usually indicates that some bolts are not fully tightened. Go through all assembly points and ensure every fastener is snug. Verify that the center support legs are making firm contact with the floor.
- **Slats Shifting:** The wooden slats are designed with Velcro to prevent shifting. Ensure the Velcro strips on the slats align with those on the frame. If present, peel off the protective film from the anti-slip tape on the slats before placing the mattress.
- **Missing or Damaged Parts:** If you discover any missing or damaged parts upon unboxing, do not proceed with assembly. Contact ZINUS customer support immediately for assistance.
