## nanoblock NBPM\_035

# nanoblock Pokemon Magikarp NBPM\_035 Instruction Manual

## INTRODUCTION

---

Thank you for purchasing the nanoblock Pokemon Magikarp NBPM\_035 building kit. This manual provides essential information for assembling, maintaining, and understanding your new nanoblock model. Please read these instructions carefully before beginning assembly.

## What's Included

Your nanoblock Pokemon Magikarp kit includes:

- 130 nanoblock pieces
- 1 Instruction Sheet

## SAFETY INFORMATION

---

Please observe the following safety precautions:

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. The recommended age for assembly is 12 years and up.
- Keep all packaging materials away from children to prevent suffocation.
- Do not put nanoblock pieces in your mouth.
- Dispose of any broken or damaged pieces properly.

## ASSEMBLY INSTRUCTIONS

---

Follow the step-by-step diagrams provided in the included instruction sheet to assemble your nanoblock Magikarp model.

The assembly process involves carefully connecting the micro-sized blocks to form the desired structure.

- **Preparation:** Open the package and carefully separate the nanoblock pieces. It is recommended to sort pieces by color and size to facilitate assembly.
- **Building Process:** Refer to the instruction sheet for detailed visual guidance. Each step illustrates which blocks to use and where to place them. Pay close attention to the orientation of each block.
- **Precision:** nanoblocks are very small. Use tweezers (not included) if necessary for precise placement of smaller pieces.
- **Difficulty:** This model has a difficulty rating of 3 out of 5. Patience and careful attention to detail are key to successful assembly.

## OPERATING INSTRUCTIONS

Once assembled, your nanoblock Magikarp model is ready for display. There are no operational functions beyond its static display purpose.

- **Display:** Place your finished model on a stable, flat surface.
- **Handling:** Handle the model gently to prevent pieces from detaching.

## MAINTENANCE

---

To keep your nanoblock model in good condition:

- **Cleaning:** Use a soft, dry brush or a can of compressed air to gently remove dust from the model. Avoid using water or chemical cleaners, as these may damage the plastic or cause discoloration.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss.

## TROUBLESHOOTING

---

If you encounter issues during assembly:

- **Missing Pieces:** Double-check the packaging and your work area. Due to the small size of nanoblocks, pieces can be easily overlooked.
- **Difficulty Fitting Pieces:** Ensure pieces are correctly oriented and aligned. Apply gentle, even pressure. Do not force pieces together, as this may cause damage.
- **Model Instability:** Review previous steps in the instruction sheet to ensure all connections are secure and correct.
