

## KAWADA NBC260

# KAWADA nanoblock Miniature Dachshund NBC\_260 Instruction Manual

## 1. INTRODUCTION

This instruction manual provides guidance for assembling the KAWADA nanoblock Miniature Dachshund model, NBC\_260. This set allows you to construct a detailed miniature representation of a Dachshund using micro-sized building blocks. The model consists of 120 pieces and has a difficulty rating of 2 out of 5, making it suitable for builders aged 12 and above.

## 2. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age.
- **Recommended Age:** This building block set is recommended for individuals 12 years and older.
- Keep blocks away from pets to prevent accidental ingestion.
- Dispose of packaging materials responsibly.

## 3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- nanoblock pieces (approximately 120 pieces)
- Instruction Sheet (detailed assembly guide)

If any parts are missing or damaged, please contact KAWADA customer support.

## 4. ASSEMBLY INSTRUCTIONS (SETUP)

Follow the detailed step-by-step instructions provided on the included instruction sheet. The assembly process involves connecting the small nanoblock pieces to form the Miniature Dachshund model.

1. **Preparation:** Open the package and carefully empty all nanoblock pieces onto a clean, flat surface. It is recommended to sort the pieces by color and shape to facilitate assembly.
2. **Follow the Guide:** Refer to the instruction sheet for the precise order and placement of each block. Each step is illustrated to guide you through the construction.
3. **Precision:** Due to the small size of the blocks, careful handling and precise placement are essential for a stable and accurate model.
4. **Completion:** Once all steps are followed, your nanoblock Miniature Dachshund model will be complete.

## 5. DISPLAYING YOUR MODEL (OPERATING)

Once assembled, your nanoblock Miniature Dachshund model is ready for display. Place it on a stable, flat surface where it can be admired. The model is designed for static display and is not intended for active play, which could lead to pieces detaching.

## 6. MAINTENANCE

To keep your nanoblock model in optimal condition:

- **Cleaning:** Gently dust the model with a soft, dry cloth or a small brush. Avoid using water or cleaning solutions, as these may damage the plastic or cause discoloration.
- **Storage:** Store the model away from direct sunlight and extreme temperatures to prevent material degradation or fading.
- **Handling:** Handle the model carefully to avoid dislodging pieces.

## 7. TROUBLESHOOTING

- **Missing Pieces:** If you discover any missing pieces, please contact KAWADA customer support with details of the missing parts.
- **Difficulty Assembling:** If you encounter difficulties during assembly, carefully re-examine the instruction sheet. Ensure that each block is placed correctly and that you are using the correct pieces for each step. Sometimes, a small misplacement can affect subsequent steps.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. nanoblocks are designed for a snug fit.
