hofstein Oravi Ceiling Lamp Instruction Manual

Model: 4058383090022

INTRODUCTION AND SAFETY INFORMATION

Thank you for choosing the hofstein Oravi Ceiling Lamp. This manual provides essential information for the safe installation, operation, and maintenance of your new lighting fixture. Please read these instructions carefully before proceeding with installation or use, and retain them for future reference.

General Safety Guidelines

- **Electrical Safety:** Installation must be performed by a qualified electrician or a person with appropriate electrical knowledge, in accordance with local wiring regulations. Always disconnect the main power supply before installation, maintenance, or bulb replacement.
- **Voltage:** This luminaire is designed for a 230 Volt electrical supply. Ensure your household voltage matches this requirement.
- **Protection Class I:** This product is Class I, meaning it must be earthed.
- **IP20 Rating:** This luminaire has an IP20 rating, indicating protection against solid objects larger than 12.5mm. It is suitable for indoor use only and must not be exposed to water or high humidity.
- **Bulb Compatibility:** Use only E27 bulbs with a maximum wattage of 60 watts. Compatible bulb types include LED, eco-halogen, and energy-saving bulbs.
- **Energy Efficiency:** This luminaire is suitable for light sources of energy classes A++ to E.
- **Heat:** Light bulbs can become hot. Allow bulbs to cool completely before touching or replacing them.

SETUP AND INSTALLATION

Before beginning installation, ensure all components are present and undamaged. The package includes the luminaire and mounting material.

Components Overview

- Oravi Ceiling Lamp (Metal, Copper color)
- Mounting Material (screws, wall plugs, etc.)

Installation Steps

1. **Disconnect Power:** Locate the circuit breaker for the room where the lamp will be installed and turn off the power

supply. Verify that the power is off using a voltage tester.

2. **Prepare Mounting Surface:** Mark the drilling points on the ceiling for the mounting bracket. Ensure the location is suitable and can support the lamp's weight (approx. 2.38 kg).
3. **Install Mounting Bracket:** Drill holes at the marked points. Insert the appropriate wall plugs and secure the mounting bracket to the ceiling using the provided screws.
4. **Electrical Connection:** Connect the household electrical wires to the luminaire's terminal block. Ensure correct polarity (Live, Neutral, Earth) according to local wiring codes. The earth wire (usually green/yellow) must be securely connected.
5. **Attach Lamp Body:** Carefully lift the lamp body and attach it to the mounting bracket, securing it with the provided fasteners. Ensure the lamp is firmly fixed and stable.
6. **Insert Bulb:** Screw an E27 bulb (max 60W) into the lamp holder. Do not overtighten.
7. **Restore Power:** Once installation is complete and all connections are secure, restore power at the circuit breaker.

OPERATING INSTRUCTIONS

The hofstein Oravi Ceiling Lamp is designed for simple operation via a standard wall switch.

Turning On/Off

- To turn the lamp on, flip the wall switch to the 'ON' position.
- To turn the lamp off, flip the wall switch to the 'OFF' position.

Light Effect

The unique grid shade of the Oravi lamp creates an attractive light effect on the ceiling, adding a distinctive ambiance to your room.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your hofstein Oravi Ceiling Lamp.

Cleaning

- Always disconnect power before cleaning.
- Wipe the lamp with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used.
- Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.

Bulb Replacement

- Ensure the lamp is turned off and has cooled down completely before attempting to replace the bulb.

- Carefully unscrew the old E27 bulb.
- Screw in a new E27 bulb, ensuring it does not exceed the maximum wattage of 60W.

TROUBLESHOOTING

If you encounter issues with your hofstein Oravi Ceiling Lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on	No power supply Faulty bulb Loose wiring connection	Check the circuit breaker and wall switch. Replace the bulb with a new, working one. (Caution: Disconnect power first) Check wiring connections at the terminal block.

Problem	Possible Cause	Solution
Lamp flickers	Loose bulb	Tighten the bulb securely.
	Incompatible bulb	Ensure the bulb is compatible (E27, max 60W).
	Loose wiring	(Caution: Disconnect power first) Check wiring connections.
Unusual noise or smell	Electrical fault Overheating	Immediately disconnect power. Do not use the lamp. Contact a qualified electrician or customer support.

If the problem persists after attempting these solutions, please contact customer support.

SPECIFICATIONS

Feature	Detail
Brand	hofstein
Model Number	4058383090022
