

# **Blomus SPLASH Water Carafe with Magnet Top - User Manual**

Model: 63785

## **INTRODUCTION**

The Blomus SPLASH Water Carafe with Magnet Top is designed for elegant and functional beverage service. Its self-closing lid, made of polished stainless steel and silicone, securely holds contents while allowing for easy pouring. This carafe is ideal for serving water, infused with fruits or herbs, enhancing both taste and presentation.

## SETUP

Before first use, wash all components of the carafe thoroughly. The carafe is made of clear glass, and the lid consists of polished stainless steel and silicone. Ensure all parts are dry before assembly.

1. **Unpack:** Carefully remove the carafe and lid from its packaging.
2. **Wash:** Hand wash or place the glass carafe and lid components in a dishwasher. Refer to the 'Maintenance' section for detailed cleaning instructions.
3. **Assemble:** Once dry, place the silicone and stainless steel lid securely onto the glass carafe. The magnet mechanism will ensure a proper seal.

**11.6"**

## OPERATING INSTRUCTIONS

The Blomus SPLASH Water Carafe is designed for ease of use, featuring a self-closing lid that simplifies pouring and keeps contents fresh.

- 1. Filling:** Remove the magnet top. Fill the carafe with your desired beverage. You can add ice cubes, lemon slices, mint, or other fruits and herbs for flavored water.
- 2. Securing the Lid:** Place the magnet top back onto the carafe. The self-closing mechanism will engage, providing a secure seal.
- 3. Pouring:** To pour, simply tilt the carafe. The magnet top is designed to open automatically as you pour and close when the carafe is returned to an upright position, preventing spills and keeping contents protected.

## MAINTENANCE AND CLEANING

Proper care ensures the longevity and hygiene of your Blomus SPLASH Water Carafe.

- **Dishwasher Safe:** The entire carafe, including the glass body and the stainless steel/silicone lid, is dishwasher safe.
- **Hand Washing:** For best results or if a dishwasher is not available, hand wash with warm soapy water. Use a soft brush for the interior of the carafe if needed.
- **Drying:** Ensure all components are thoroughly dried before reassembly and storage to prevent water spots or residue buildup.
- **Storage:** Store the carafe in a clean, dry place.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Lid not sealing properly.	Lid is not correctly aligned or silicone seal is dirty/damaged.	Ensure the lid is placed squarely on the carafe. Check the silicone seal for any debris or damage; clean or replace if necessary.
Water drips when pouring.	Lid mechanism obstructed or carafe tilted too slowly/quickly.	Ensure no large fruit pieces or ice cubes are blocking the pouring spout. Adjust pouring speed and angle for a smooth flow.
Unpleasant odor or taste.	Residue buildup from previous contents.	Thoroughly clean the carafe and lid, paying attention to all crevices. Use a mixture of baking soda and water for stubborn odors.

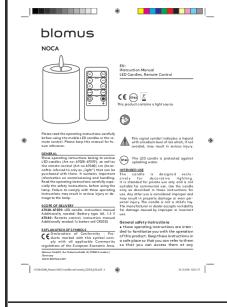

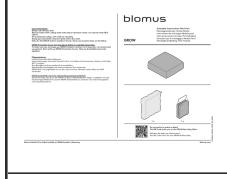

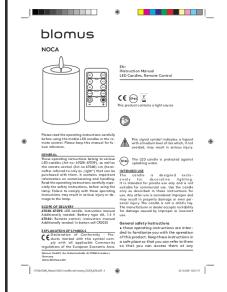

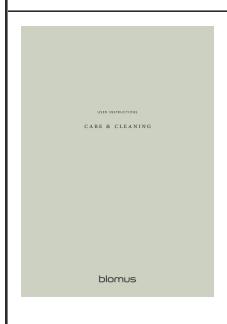

## SPECIFICATIONS

- **Brand:** Blomus
- **Model Name:** Splash
- **Item Model Number:** 63785
- **Material:** Glass, Stainless Steel, Silicone
- **Capacity:** 1 Liter (33.8 Ounces)
- **Product Dimensions:** 3.5"W x 11.6"H
- **Item Weight:** 1.08 Kilograms (2.38 pounds)
- **Special Feature:** Leak-proof (Auslaufsicher), Self-closing magnet top
- **Care Instructions:** Dishwasher Safe

## WARRANTY AND SUPPORT

For warranty information or product support, please refer to the manufacturer's official website or contact their customer service directly. Keep your proof of purchase for any warranty claims.
