WowWee Fingerlings Interactive Baby Fox Mikey (Orange) Instruction Manual

Model: 3571 | Brand: WowWee

INTRODUCTION

Welcome to the world of Fingerlings! This manual provides essential information for setting up and interacting with your new Fingerlings Interactive Baby Fox, Mikey. Mikey is designed to respond to sound, motion, and touch, offering a unique interactive experience.

Meet Mikey, a new Fingerlings fox that's all ears when it comes to fun pranks and interactive play! He loves to grab onto things, especially your fingers. He'll always let you know how he's feeling by responding to noise, motion, and touch. Discover all the different reactions you can trigger by petting him, rocking him to sleep, holding him upside down, or talking loudly. Blow him a kiss, and he'll kiss you right back. He's cute, clever, and yours forever!

SETUP

What's in the Box

Battery Installation

Your Fingerlings Mikey comes with batteries included (4 x LR44 batteries). If replacement is needed:

1. Locate the battery compartment on the back of Mikey's head.
2. Using a small screwdriver, open the battery compartment.
3. Insert 4 new LR44 button cell batteries, ensuring correct polarity (+/-).
4. Close the battery compartment securely.

OPERATING INSTRUCTIONS

Mikey is designed for interactive play. Explore his personality through various actions:

- **General Interactions:** Mikey responds to sound, motion, and touch with blinking eyes, head turns, and fun fox chatter.
- **Petting:** Gently pet Mikey's head to hear happy sounds and see his eyes blink.
- **Holding Upside Down:** Hold Mikey upside down by his tail to trigger silly reactions and sounds.
